**REPORT ON REVIEW OF  
CONDENSED INTERIM FINANCIAL STATEMENTS  
FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2012  
TO THE SHAREHOLDERS OF DUBAI DEVELOPMENT COMPANY (PSC)**

***Introduction***

We have reviewed the accompanying interim statement of financial position of Dubai Development Company (PSC) (the "Company") as at 30 September 2012 and the related interim statements of comprehensive income, cash flows and changes in equity for the six month period then ended and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard IAS 34 *Interim Financial Reporting* ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

***Scope of review***

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

***Conclusion***

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34.

**12 CONTINGENT LIABILITES**

Two plot holders have filed legal cases against the company against demarcation of their plots of land. One case has been dismissed by the Dubai Court of First Instance and the second case is still pending in the Court. It is difficult to evaluate the consequence of these cases at this early stage.
