REPORT ON REVIEW OF CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF COMMERCIAL BANK OF DUBAI PSC

Introduction

We have reviewed the accompanying condensed consolidated interim financial statements of Commercial Bank of Dubai PSC (the "Bank") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated interim statement of financial position as at 30 June 2013 and the related consolidated interim statements of income and comprehensive income for the three month and six month periods then ended and consolidated interim statement of cash flows and changes in equity for the six month period then ended and explanatory notes. Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Financial Reporting Standard IAS 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review. The condensed consolidated interim financial statements of the Group as of 30 June 2012 and the consolidated financial statements of the Group as of 31 December 2012 were reviewed and audited respectively by another auditor whose reports dated 18 July 2012 and 6 February 2013 expressed unqualified conclusion and opinion on those financial statements respectively.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34.

AL Dana Global Fixed Income Manager Selection Fund is an open ended fund managed by CBD.

The registered address of the Group is Al Ittihad Street, P.O. Box 2668, Dubai, United Arab Emirates.

2. BASIS OF PREPARATION

(a) Statement of Compliance

The condensed consolidated interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") IAS 34 Interim Financial Reporting. These condensed consolidated interim financial statements do not include all the information required for full annual audited consolidated financial statements and should be read in conjunction with the audited consolidated financial statements of the Group as at and for the year ended 31 December 2012. In addition, results for the six months ended 30 June 2013 are not necessarily indication of the results that may be expected for the financial year ending 31 December 2013.

(b) Use of estimates and judgment

The preparation of condensed consolidated interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates. In preparing these condensed consolidated interim financial statements, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation and uncertainty were the same as those that applied to the annual audited consolidated financial statements of the Group as at and for the year ended 31 December 2012.

3. SIGNIFICANT ACCOUNTING POLICIES

The Group has consistently applied the accounting policies and methods of computation used for the preparation of last published annual audited consolidated financial statements as at and for the year ended 31 December 2012, except for adoption of new standards and interpretations effective as of 1 January 2013.

The Group has applied, IFRS 10 Consolidated Financial Statement for the first time during the first quarter of 2013.

IFRS 10 establishes a single control model that applies to all entities including special purpose entities. IFRS 10 replaces the parts of previously existing IAS 27 Consolidated and Separate Financial Statements that dealt with consolidated financial statements and SIC-12 Consolidation – Special Purpose Entities. IFRS 10

Commercial Bank of Dubai PSC

Notes to the condensed consolidated interim financial statements (continued)

For the six-month period ended 30 June 2013

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

changes the definition of control such that an investor controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. To meet the definition of control in IFRS 10, all three criteria must be met, including:

- An investor has power over an investee;
- The investor has exposure, or rights, to variable returns from its involvement with the investee; and
- The investor has the ability to use its power over the investee to affect the amount of the investor's returns.

Adoption of IFRS 10 caused Group's total assets and non-controlling interest to increase by AED 15.3 million as at 1 January 2012, AED 15.3 million as at 30th June 2012, AED 13.6 million as at 31st December 2012 and AED 12.8 million as at 30th June 2013.

Several other new standards and amendments apply for the first time in 2013. However, the Group believes that they do not have any significant impact on the financial statements of the Group.

During the first quarter of 2013, the Group reassessed its relationship with National General Insurance Co. (P.S.C.) and designated it as an associate (previously classified as an available for sale investment) which was accounted for using equity method retrospectively. This resulted in total assets and total equity to decrease by AED 76 million, AED 49 million, AED 32 million and AED 27 million as at 1 January 2012, 30 June 2012, 31 December 2012 and 30 June 2013 respectively.

4. RISK GOVERNANCE AND FINANCIAL RISK MANAGEMENT

The Group's Risk Governance and Financial Risk Management objectives, policies and procedures are consistent with those disclosed in the annual audited consolidated financial statements as at and for the year ended 31 December 2012.

The Bank has the option at any time during the option period to repay the loans in whole or in part subject to meeting certain conditions. The Group exercised this option and prepaid AED 1,500 million of this loan in May 2013.
