**REPORT ON REVIEW OF
CONDENSED INTERIM FINANCIAL STATEMENTS
FOR THE SIX MONTHS ENDED 30 JUNE 2013
TO THE SHAREHOLDERS OF DUBAI DEVELOPMENT COMPANY (PSC)**

Introduction

We have reviewed the accompanying interim statement of financial position of Dubai Development Company (PSC) (the "Company") as at 30 June 2013 and the related interim statements of comprehensive income, cash flows and changes in equity for the six month period then ended and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard IAS 34 *Interim Financial Reporting* ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34.
