Re: Extra-Ordinary Trading Activity

With reference to the extra-ordinary trading of GFH shares observed in the Kuwait Stock Exchange and Dubai Financial Market today, we would like to notify to our shareholders and the markets that GFH has recently signed an agreement with a consortium of British Investors for a partial sale of its stake in the UK based Leeds United Football Club ("LUFC"). However, the Investors are currently in their final stage to fulfill their subsequent obligation to complete the transaction and obtain approval from the English Football Association.

Apart from this, there has not been any material event that has occurred (or material information) which could have triggered such high volume trading.

Should you require any further information, please feel free to contact us.

Yours Sincerely,

Nabeel Mirza
