Review report on the interim condensed consolidated financial information

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Al Salam Group Holding Company - K.S.C (Public) - (the Parent Company) and its subsidiaries (together referred to as "the Group") - as of March 31, 2014 and the interim condensed consolidated statements of income, comprehensive income, cash flows and changes in equity for the three months period then ended. Management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard No. (34) "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of interim Financial Information Performed by the Independent Auditors of the Entity".

A review of interim condensed consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects in accordance with International Accounting Standard No. (34) "Interim Financial Reporting".

Report on review of other legal and regulatory matters

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company and to the best of our knowledge and belief, no violations of the there were no violations have occurred of either the Companies' Law no. 25 of year 2012, as amended, and related Executive Regulations, law no. 7 of 2010 in respect of the establishment of Capital Market Authority and the organization of the securities activity and its regulation or of the Company's Memorandum and Articles of Association during the three months period ended March 31, 2014 that might have had a material effect on the business of the Parent Company or on its consolidated financial position.

Al Salam Group Holding Company

K.S.C (Public)
and its subsidiaries
Kuwait

Notes to the interim condensed consolidated financial information for the three months ended March 31, 2014 (Unaudited)
"All amounts are in Kuwaiti Dinar unless stated otherwise"

1- Incorporation and activity

Al Salam Group Holding Company - K.S.C (Public) was incorporated on November 9, 1997.

The Parent Company's main activities are as follow:

- Owning shares in Kuwaiti or Foreign shareholding or limited liability companies, or participating in establishing these companies and managing and lending them and providing guarantees on their behalf to others.
- Lending the companies in which it owns shares and providing guarantees on behalf of those companies to others, providing that the holding Company's ownership percentage in the share capital of the borrowed Company must be at least 20%.
- Owning industrial equity of patents, industrial trademarks, industrial fees or any other rights related to that and renting them to other companies to utilize them inside Kuwait or abroad.
- Owning the necessary movables and properties to carry out its activity in accordance with the Law.

The Parent Company may have an interest in, or may participate in any form with the institutions that have a similar business or that will assist it to achieve its objectives inside or outside Kuwait. Also it may establish or participate in or acquire these institutions or join them.
The Company carrying out all its activities in accordance with Instructions of Islamic Sharia.

On September 29, 2013, the Ministry of Industry and Commerce issued Resolution of the Executive Regulation of Companies Law under no. 425/2013 this in accordance with requirements of Law and companies have to comply with requirements of this resolution during one year from its publication.

The registered address of the Parent Company is: Qibla – Plot (5) – Building (11) owned by Mousa Abdullwahab Al Naqy - Kuwait.

The Board of Directors approved this interim condensed consolidated financial information for the three months ended March 31, 2014 for issue on May 13, 2014.

2- Basis of presentation

This interim condensed consolidated financial information of the Parent Company has been prepared in compliance with the International Accounting Standard No. 34 "Interim Financial Reporting". The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent, with those used in the preparation of the consolidated financial statements for the year ended December 31, 2013.
The interim condensed consolidated financial information does not contain all information and disclosures required for full financial statements prepared in accordance with International Financial Reporting Standard. In addition results for the three months ending March 31, 2014 are not necessarily indicative of the results that may be expected for the year ending December 31, 2014. For further information, refer to the Parent Company's audited consolidated financial statements for the year ended December 31, 2013.

Al Salam Group Holding Company

K.S.C (Public)
and its subsidiaries
Kuwait

Notes to the interim condensed consolidated financial information for the three months ended March 31, 2014 (Unaudited)
"All amounts are in Kuwaiti Dinar unless stated otherwise"

3- Judgments and estimates

The preparation of interim condensed consolidated financial information requires management to make judgments, estimates and assumptions that may affect the application of accounting policies and the reported amounts of assets and liabilities, incomes and expenses. Actual results my differ from these estimates.
In preparing this interim condensed consolidated financial information, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended December 31, 2013.

4- Changes to accounting policies

Adoption of new IASB Standards and amendments during the period

The accounting policies adopted in the preparation of the interim condensed consolidated financial information are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2013, except for the adoption of new standards and amendments effective as of 1 January 2014.
The Group applies, for the first time, certain standards and amendments that require restatement of previous financial statements. These include IFRS 13 Fair Value Measurement and amendments to IAS 1 Presentation of Financial Statements. As required by IAS 34, the nature and the effect of these changes are disclosed below.
Several other new standards and amendments apply for the first time in 2014. However, they do not impact the annual consolidated financial statements nor the interim condensed consolidated financial information of the Group.
The nature and the impact of each new standard/amendment is described below:

Standard or interpretation	*Effective for annual periods beginning*
IFRS 13 Fair Value Measurement	January 1, 2014
IFRS 7 Financial Instruments: Disclosures – amendments	January 1, 2014
Annual Improvements 2009-2011	January 1, 2014

IFRS 13 Fair Value Measurement

IFRS 13 establishes a single source of guidance under IFRS for all fair value measurements. IFRS 13 does not change when an entity is required to use fair value, but rather provides guidance on how to measure fair value under IFRS when fair value is required or permitted. The application of IFRS 13 has not materially impacted the fair value measurements carried out by the Group.
IFRS 13 also requires specific disclosures on fair values, some of which replace existing disclosure requirements in other standards, including IFRS 7 Financial Instruments: Disclosures. Some of these disclosures are specifically required for financial instruments by IAS 34, thereby affecting the interim condensed consolidated financial information period. The Group provides these disclosures in Note (16). The requirements of IAS 34 and transition provisions of IFRS 13 do not require comparative information for periods before initial application of IFRS 13. Consequentially, the Group does not provide the comparative information.

IFRS 7 Financial Instruments: Disclosures – Offsetting Financial Assets and Financial Liabilities (Amendments to IFRS 7)

Qualitative and quantitative disclosures have been added to IFRS 7 'Financial Instruments: Disclosures' (IFRS 7) relating to gross and net amounts of recognised financial instruments that are (a) set off in the consolidated statement of financial position and (b) subject to enforceable master netting arrangements and similar agreements, even if not set off in the consolidated statement of financial position. As the Group is not setting off financial instruments in accordance with IAS 32 and does not have relevant offsetting arrangements, the amendment does not have an impact on the Group.

Annual Improvements 2009-2011 (the Annual Improvements)

The Annual Improvements 2009-2011 (the Annual Improvements) made several minor amendments to a number of IFRSs. The amendments relevant to the Group are summarised below:

Clarification of the requirements for opening consolidated statement of financial position (amendments to IAS 1):

- Clarifies that the appropriate date for the opening consolidated statement of financial position is the beginning of the preceding period (related notes are no longer required to be presented)

- Addresses comparative requirements for the opening consolidated statement of financial position when an entity changes accounting policies or makes retrospective restatements or reclassifications, in accordance with IAS 8.

Under IAS 34, the minimum items required for the interim condensed consolidated financial information do not include a third balance sheet.

Clarification of the requirements for comparative information provided beyond minimum requirements (amendments to IAS 1):

- Clarifies that additional financial statement information need not be presented in the form of a complete set of consolidated financial statements for periods beyond the minimum requirements
- Requires that any additional information presented should be presented in accordance with IFRS and the entity should present comparative information in the related notes for that additional information.

IASB Standards issued but not yet effective

At the date of authorization of these interim condensed consolidated financial information, certain new standards, amendments and interpretations to existing standards have been published by the IASB but are not yet effective, and have not been adopted early by the Group.

Management anticipates that all of the relevant pronouncements will be adopted in the Group's accounting policies for the first period beginning after the effective date of the pronouncement. Information on new standards, amendments and interpretations that are expected to be relevant to the Group's consolidated financial statements is provided below. Certain other new standards and interpretations have been issued but are not expected to have a material impact on the Group's consolidated financial statements.

Standard or Interpretation	*Effective for annual periods beginning*
IFRS 9 Financial Instruments: Classification and Measurement	January 1, 2015
IAS 32 Financial Instruments: Presentation – amendments	January 1, 2014

IFRS 9 Financial Instruments
The IASB aims to replace IAS 39 Financial Instruments: Recognition and Measurement in its entirety. The replacement standard (IFRS 9) is being issued in phases. To date, the chapters dealing with recognition, classification, measurement and derecognition of financial assets and liabilities have been issued. These chapters are effective for annual periods beginning 1 January 2015. Further chapters dealing with impairment methodology and hedge accounting are still being developed. Further, in November 2011, the IASB tentatively decided to consider making limited modifications to IFRS 9's financial asset classification model to address application issues.
Although earlier application of this standard is permitted, the Technical Committee of the Ministry of Commerce and Industry of Kuwait decided on December 30, 2009, to postpone this early application till further notice.
Management has not yet to assess the impact that this amendment is likely to have on the consolidated financial statements of the Group. However, they do not expect to implement the amendments until all chapters of IFRS 9 have been published and they can comprehensively assess the impact of all changes.

Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32)
The Amendments to IAS 32 add application guidance to address inconsistencies in applying IAS 32's criteria for offsetting financial assets and financial liabilities in the following two areas:

- The meaning of 'currently has a legally enforceable right of set-off'
- That some gross settlement systems may be considered equivalent to net settlement.

The Amendments are effective for annual periods beginning on or after 1 January 2014 and are required to be applied retrospectively. Management does not anticipate a material impact on the Group's interim condensed consolidated financial information from these Amendments.

Al Salam Group Holding Company

K.S.C (Public)
and its subsidiaries
Kuwait

Notes to the interim condensed consolidated financial information for the three months ended March 31, 2014 (Unaudited)
"All amounts are in Kuwaiti Dinar unless stated otherwise"

Fair value of financial instruments

Fair value of financial instruments is defined as the amounts at which the asset could be exchanged or a liability settled in a current transaction between knowledgeable willing parties in an arm's length transaction other than in forced or liquidation sale. The Group used recognized assumptions and methods to estimate the fair value of the financial instruments. The fair value of financial assets and financial liabilities are determined as follows:

- The fair value of financial assets and financial liabilities with standard terms and conditions and traded on active liquid market is determined with reference to quoted market prices.
- The fair value of other financial assets and financial liabilities (excluding derivative instruments) is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from identifiable current market transactions and dealer quotes for similar financial instruments.
- The fair values of financial instruments carried at amortized cost are not significantly different from their carrying values.

Fair value measurement recognized in the interim condensed consolidated statement of financial position

The Group adopted the amendments to IFRS 7 effective from January 1, 2011. These amendments require the Group to present certain information about financial instruments measured at fair value in the interim condensed consolidated statement of financial position.

The following table presents financial assets and financial liabilities measured at fair value in the interim condensed consolidated statement of financial position in accordance with the fair value hierarchy. This hierarchy group's financial assets and liabilities into three levels based on the significance of inputs used in measuring the fair value of the financial assets and financial liabilities.

The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The level within which the financial asset or liability is classified is determined based on the lowest level of significant inputs to the fair value measurement.
