Report on review of interim condensed consolidated financial information

To the board of directors of
International Financial Advisors – KPSC
Kuwait

Introduction
We have reviewed the accompanying interim condensed consolidated statement of financial position of International Financial Advisors (A Kuwaiti Public Shareholding Company) and its subsidiaries as of 30 September 2014 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the nine-month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of presentation set out in note (2). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review
We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion
Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of presentation set out in note (2).

Report on review of other legal and regulatory requirements

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the Group. We further report that, to the best of our knowledge and belief, no violations of the Companies Law No. 25 of 2012 or of the articles of association of the Company, as amended, have occurred during the nine-month period ended 30 September 2014 that might have had a material effect on the business or financial position of the Group.

We further report that, during the course of our review, we have not become aware of any material violations during the nine-month period ended 30 September 2014 of the provisions of Law No.32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations.

We also note that during our review and to the best of our knowledge and belief, nothing has come to our attention that indicates any material violations to Law No. (7) of 2010 relating the Capital Markets Authority and the instructions thereto, during the nine months period ended 30 September 2014.

Notes to the interim condensed consolidated financial information

1 Incorporation and activities of the parent company

International Financial Advisors – KPSC ("the parent company") is a Kuwaiti Public Shareholding Company incorporated on 31 January 1974. The parent company is regulated by the Central Bank of Kuwait as an investment company.

The parent company is principally engaged in providing financial advisory services, trading in local and international securities, borrowing, lending, issuing guarantees, managing investment funds and portfolios management and trading in future contracts.

The Companies Law issued on 26 November 2012 by Decree Law no 25 of 2012 (the "Companies Law"), which was published in the Official Gazette on 29 November 2012, cancelled the Commercial Companies Law No 15 of 1960. The Companies Law was subsequently amended on 27 March 2013 by Law No. 97 of 2013. On 29 September 2013, Ministry of Commerce and Industry issued its regulation No. 425/2013 regarding the Executive by-laws of the Companies Law. All existing companies are required to comply with articles of these by-laws within one year from the date of its issuance.

The address of the parent company's registered office is PO Box 4694, Safat 13047, State of Kuwait.

This interim condensed consolidated financial information for the nine-month period ended 30 September 2014 was authorised for issue by the parent company's board of directors on .....

2 Basis of presentation

The interim condensed consolidated financial information of the group has been prepared in accordance with International Accounting Standard 34, "Interim Financial Reporting" and the Central Bank of Kuwait regulations regarding general provisions against loans receivable.

The provisions for loans receivable complies in all material respects with the requirements of the Central bank of Kuwait. In this respect, Central Bank of Kuwait requires a general provision of 1% on all loans receivable not subject to a specific provision.

The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent with those used in the preparation of the annual audited consolidated financial statements of the group for the year ended 31 December 2013 except for the adoption of new and revised standards and interpretations as discussed below.

Operating results for the nine-month period are not necessarily indicative of the results that may be expected for the year ending 31 December 2014. For further information, refer to the audited consolidated financial statements and its related notes for the year ended 31 December 2013.

The interim condensed consolidated financial information has been presented in Kuwaiti Dinars (KD) which is the functional currency of the parent company.

Basis of consolidation

The interim condensed financial information of the parent company and its subsidiaries (Note 5) has been consolidated on a line by line basis after eliminating intra-group balances, intra-group transactions and resulting unrealized profits in full. Uniform accounting policies have been used by the group's companies in order to record like transactions and other events which occurred under similar circumstances in these companies.

Notes to the interim condensed consolidated financial information (continued)

3 Changes in accounting policies

3.1 Adoption of new IASB Standards and amendments during the period

The group has adopted the following new and amended IFRS during the period:

Standard or Interpretation	*Effective for annual periods beginning*
IAS 32 Financial Instruments: Presentation – Amendments	1 January 2014
IAS 36 Impairment of Assets- Amendments	1 January 2014
Investment Entities – Amendments to IFRS 10, IFRS 12 and IAS 27	1 January 2014
Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)	1 January 2014
IFRIC 21 Levies	1 January 2014

3.1.1 IAS 32 Financial Instruments: Presentation - Amendments

The amendments to IAS 32 add application guidance to address inconsistencies in applying IAS 32's criteria for offsetting financial assets and financial liabilities in the following two areas:

- the meaning of 'currently has a legally enforceable right of set-off
- that some gross settlement systems may be considered equivalent to net settlement.

The amendments are required to be applied retrospectively. The adoption of the amendment did not result into any material impact on the group's interim condensed consolidated financial information.

3.1.2 IAS 36 Impairment of Assets- Amendments

The amendments to IAS 36 reduces the circumstances in which the recoverable amount of assets or cash-generating units is required to be disclosed, clarify the disclosures required, and to introduce an explicit requirement to disclose the discount rate used in determining impairment (or reversals) where recoverable amount (based on fair value less costs of disposal) is determined using a present value technique. The adoption of the amendment did not result into any material impact on the group's interim condensed consolidated financial information.

3.1.3 Investment Entities – Amendments to IFRS 10, IFRS 12 and IAS 27

The Amendments define the term 'investment entity', provide supporting guidance and require investment entities to measure investments in the form of controlling interests in another entity at fair value through profit or loss.

The adoption of the amendment did not result into any material impact on the group's interim condensed consolidated financial information.

3.1.4 Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)

The Amendment makes it clear that there is no need to discontinue hedge accounting if a hedging derivative is novated, provided certain criteria are met.

A novation indicates an event where the original parties to a derivative agree that one or more clearing counterparties replace their original counterparty to become the new counterparty to each of the parties. In order to apply the amendments and continue hedge accounting, novation to a central counterparty (CCP) must happen as a consequence of laws or regulations or the introduction of laws or regulations. The adoption of the amendment did not result into any material impact on the group's interim condensed consolidated financial information.

Notes to the interim condensed consolidated financial information (continued)

3 Changes in accounting policies (continued)

3.1 Adoption of new IASB Standards and amendments during the period (continued)

3.1.5 IFRIC 21 'Levies' (IFRIC 21)

IFRIC 21 clarifies that:

- The obligating event that gives rise to the liability is the activity that triggers the payment of the levy, as identified by the government's legislation. If this activity arises on specific date within an accounting period then the entire obligation is recognised on that date
- The same recognition principles apply in the annual and interim financial statements.

IFRIC 21 has been applied retrospectively in accordance with its transitional provisions but the adoption of the amendment did not result into any material impact on the group's interim condensed consolidated financial information.

3.2 IASB Standards issued but not yet effective

At the date of authorisation of this interim condensed consolidated financial information, certain new standards, amendments and interpretations to existing standards have been published by the IASB but are not yet effective, and have not been adopted early by the group.

Management anticipates that all of the relevant pronouncements will be adopted in the group's accounting policies for the first period beginning after the effective date of the pronouncement. Management is yet to determine impact of these pronouncements in the interim condensed consolidated financial information. Information on new standards, amendments and interpretations that are expected to be relevant to the group's financial statements is provided below:

Standard or Interpretation	*Effective for annual periods beginning*
IFRS 9 Financial Instruments: Classification and Measurement	No stated effective date
IFRS 14 Regulatory Deferral Accounts	1 January 2016
IFRS 15 Revenue from Contracts with Customers	1 January 2017
Accounting for Acquisitions of Interests in Joint Operations (Amendments to IFRS 11)	1 January 2016
Clarification of Acceptable Methods of Depreciation and Amortisation (Amendments to IAS 16 and IAS 38)	1 January 2016
Annual Improvements to IFRSs 2010–2012 Cycle	1 July 2014
Annual Improvements to IFRSs 2011-2013 Cycle	1 July 2014

3.2.1 IFRS 9 Financial Instruments

The IASB aims to replace IAS 39 'Financial Instruments: Recognition and Measurement' (IAS 39) in its entirety with IFRS 9. To date, the chapters dealing with recognition, classification, measurement and derecognition of financial assets and liabilities, and hedge accounting have been issued. Chapter dealing with impairment methodology is still being developed. The effective date for the entire standard will be determined after completion of the new impairment model.

Notes to the interim condensed consolidated financial information (continued)

3 Changes in accounting policies (continued)

3.2 IASB Standards issued but not yet effective (continued)

3.2.1 IFRS 9 Financial Instruments (continued)

Further, in November 2013, the IASB made limited modifications to IFRS 9's financial asset classification model to address application issues.

The group's management have yet to assess the impact of this new standard on the group's consolidated financial statements. Management does not expect to implement IFRS 9 until it has been completed and its overall impact can be assessed.

3.2.2 1FRS 14 Regulatory Deferral Accounts

IFRS 14 permits an entity which is a first-time adopter of International Financial Reporting Standards to continue to account, with some limited changes, for 'regulatory deferral account balances' in accordance with its previous GAAP, both on initial adoption of IFRS and in subsequent financial statements.

3.2.3 IFRS 15 Revenue from Contracts with Customers

IFRS 15 replaced IAS 11 Revenues and provides a new control-based revenue recognition model using five-step to be applied to all contracts with customers.

The five steps in the model are as follows:

- Identify the contract with the customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contracts
- Recognise revenue when (or as) the entity satisfies a performance obligation.

The standard includes important guidance, such as

- Contracts involving the delivery of two or more goods or services – when to account separately for the individual performance obligations in a multiple element arrangement, how to allocate the transaction price, and when to combine contracts
- timing – whether revenue is required to be recognized over time or at a single point in time
- variable pricing and credit risk – addressing how to treat arrangements with variable or contingent (e.g. performance-based) pricing, and introducing an overall constraint on revenue
- time value – when to adjust a contract price for a financing component.
- specific issues, including –
    - o non-cash consideration and asset exchanges
    - o contract costs
    - o rights of return and other customer options
    - o supplier repurchase options
    - o warranties
    - o principal versus agent
    - o licencing
    - o breakage
    - o non-refundable upfront fees, and
    - o consignment and bill-and-hold arrangements.

Notes to the interim condensed consolidated financial information (continued)

3 Changes in accounting policies (continued)

3.2 IASB Standards issued but not yet effective (continued)

3.2.4 Accounting for Acquisitions of Interests in Joint Operations (Amendments to IFRS 11)

Amendments to IFRS 11 Joint Arrangements require an acquirer of an interest in a joint operation in which the activity constitutes a business (as defined in IFRS 3 Business Combinations) to apply all of the business combinations accounting principles in IFRS 3 and other IFRSs, except for those principles that conflict with the guidance in IFRS 11. It also requires disclosure of the information required by IFRS 3 and other IFRSs for business combinations.

The amendments apply both to the initial acquisition of an interest in joint operation, and the acquisition of an additional interest in a joint operation (in the latter case, previously held interests are not remeasured). The amendments apply prospectively to acquisitions of interests in joint operations.

3.2.5 Clarification of Acceptable Methods of Depreciation and Amortisation (Amendments to IAS 16 and IAS 38)

Amendments to IAS 16 Property, Plant and Equipment and IAS 38 Intangible Assets address the following matters:

- a depreciation method that is based on revenue that is generated by an activity that includes the use of an asset is not appropriate for property, plant and equipment
- an amortisation method that is based on the revenue generated by an activity that includes the use of an intangible asset is generally inappropriate except for limited circumstances
- expected future reductions in the selling price of an item that was produced using an asset could indicate the expectation of technological or commercial obsolescence of the asset, which, in turn, might reflect a reduction of the future economic benefits embodied in the asset.

3.2.6 Annual Improvements to IFRSs 2010–2012 Cycle:

(i) Amendments to IFRS 3-Contingent consideration that does not meet the definition of an equity instrument is subsequently measured at each reporting date fair value, with changes recognised in consolidated statement of income.

(ii) Amendments to IFRS 13- the addition to the Basis for Conclusions confirms the existing measurement treatment of short-term receivables and payables.

(iii) Amendments to IFRS 8-Disclosures are required regarding judgements made by management in aggregating operating segments (i.e. description, economic indicators).

(iv) Amendments to IAS 16 and IAS 38- When items are revalued, the gross carrying amount is adjusted on a consistent basis to the revaluation of the net carrying amount.

(v) Amendments to IAS 24- Entities that provide key management personnel services to a reporting entity, or the reporting entity's parent, are considered to be related parties of the reporting entity.

3.2.7 Annual Improvements 2011-2013 Cycle:

(i) Amendments to IFRS 1-the amendment to the Basis for Conclusions clarifies that an entity preparing its IFRS financial statements in accordance with IFRS 1 is able to use both:

- IFRSs that is currently effective
- IFRSs that have been issued but are not yet effective, that permits early adoption

The same version of each IFRS must be applied to all periods presented.

Notes to the interim condensed consolidated financial information (continued)

3 Changes in accounting policies (continued)

3.2 IASB Standards issued but not yet effective (continued)

3.2.7 Annual Improvements 2011-2013 Cycle (continued):

(ii) Amendments to IFRS 3- IFRS 3 is not applied to the formation of a joint arrangement in the financial statements of the joint arrangement itself.

(iii) Amendments to IFRS 13- the scope of the portfolio exemption (IFRS 13.52) includes all items that have offsetting positions in market and/or counterparty credit risk that are recognised and measured in accordance with IAS 39/IFRS 9, irrespective of whether they meet the definition of a financial asset/liability.
iv) Amendments to IAS 40 — Clarifying the interrelationship of IFRS 3 and IAS 40 when classifying property as investment property or owner-occupied property

4 Assumptions and estimates

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation uncertainty were consistent with those applied to the consolidated financial statements for the year ended 31 December 2013.

5 Subsidiary companies

5.1 The interim condensed consolidated financial information has incorporated the interim condensed financial information of the following subsidiaries as at 30 September 2014 or 30 June 2014:

Name of subsidiary	Period ended	Activity	Effective ownership percentage %
IFA Hotels and Resorts – KPSC and Subsidiaries	30 June 2014	Hotel operations	55.98
Seven Seas Resorts Company – KSC (Closed)	30 June 2014	Hotels and resorts	48.30
Gulf Real Estate Company – WLL	30 September 2014	Real estate investments	46.32
IFA Aviation Company – KSC (Closed) and Subsidiary	30 September 2014	Aviation services	74.80
Dana Real Estate Company – SAL	30 September 2014	Real estate investments	90.00
Radeem Real Estate Company – SAL	30 September 2014	Real estate investments	99.70

5.2. Towards the end of last year Group acquired the entire shareholding held by non-controlling interests (15%) with respect of IFA Hotels and Resort Limited, South Africa resulting in a loss of KD833,145 which has been recognised in the interim condensed consolidated statement of changes in equity for the period.

5.3. Sale of subsidiaries:

During the period the group sold its owned %50 shares in Al Rammah National General Trading and Contracting Co. WLL to Al Wafir Marketing Services Co. KSC (Closed) with amount of KD 1,435,357 resulting profit from sale of KD 1,054,477.

During the period the group sold its owned %100 shares in BPL Global Middle East General Trading and Contracting Co. WLL to Al Wafir Marketing Services Co. KSC (Closed) with amount of KD 1,039,200 resulting profit from sale of KD 802,458.

Notes to the interim condensed consolidated financial information (continued)

5. Subsidiary Companies (continued)

5.4. Acquisition of subsidiary

As shown in note (17.2 – b) during the period the group acquired the remaining 50% of joint venture (Zimbali Estates Pty Ltd) and the total percentage group owned in the investment became 100%.

6 Net income from hoteliers and related services

	Three months ended		Nine months ended	
	30 Sept. 2014 (Unaudited) KD	30 Sept. 2013 (Unaudited) KD	**30 Sept. 2013 (Unaudited) KD**	30 Sept. 2013 (Unaudited) KD
Revenue	**7,360,287**	4,805,655	**23,622,790**	12,996,621

Other payables	**7,425,771**	6,009,476	4,613,462
	68,706,237	76,880,802	74,017,612

a. Accounts payable include payable to the ex-contractor being the amount payable to [Dubai Contracting Company (DCC)] with respect of Balqis Residence FZE and Kingdom of Sheba Heritage Palace FZE, subsidiaries of the UAE subsidiary. During the previous year, DCC contract was terminated under agreement dated 8 October 2013 to discharge all the contractual and financial obligations. As a result, AED183,103,399 (equivalent to KD14,126,006) was determined as payable to DCC in two instalments of AED18,300,000 (equivalent to KD1,411,803) and AED164,803,399 (equivalent to KD12,714,203) due on 31 March 2014 and 31 March 2015 respectively. Accordingly balance due on 31 March 2014 was settled. Certain amounts were reclassified from accrued retention payable and accrued construction cost to accounts payable. Such reclassification had no impact on the statement of income for the period.

21 Borrowings

	30 Sept. 2014 (Unaudited) KD	31 Dec. 2013 (Audited) KD	30 Sept. 2013 (Unaudited) KD
Loans in KD	**31,555,000**	33,555,000	33,555,000

Number of shares (thousand share)	**47,111**	49,513	50,033
Percentage to the issued shares	**6.54%**	6.88%	6.95%
Market value (KD '000)	**3,015**	4,852	4,303

23 Capital commitments

Capital expenditure commitments
The Group has commitments to pay all the amounts required to settle its remaining share in the financing of the construction of real estate projects in Dubai (UAE) and South Africa. The Group's share in the amounts required to finance these projects is as follows:

	30 Sept. 2014 (Unaudited) KD	31 Dec. 2013 (Audited) KD	30 Sept. 2013 (Unaudited) KD
Estimated and contracted capital expenditure for construction of properties under development and trading properties	**15,573,000**	36,681,000	37,237,000
	15,573,000	36,681,000	37,237,000

The Group expects to finance the future expenditure commitments from the following sources:

a) Sale of investment properties.
b) Advances from customers.
c) Share capital increase.
d) Advances provided by the shareholders, related entities and joint ventures.
e) Borrowings, if required.

The financing rates expected from the above sources are dependent on the nature of the source of financing and management estimates of the best financing sources available at the time they become due.

27 Financial risk management

All aspects of the Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements for the year ended 31 December 2013.

Notes to the interim condensed consolidated financial information (continued)

28 Summary of financial assets and liabilities by category and fair value measurement

27.1 Categories of financial assets and liabilities

The carrying amounts of the group's financial assets and liabilities as stated in the consolidated statement of financial position may also be categorised as follows:

	30 September 2014 (Unaudited)		30 September 2013 (Unaudited)	
	Fair value KD'000	**Carrying value KD'000**	Fair value KD'000	Carrying value KD'000
Financial assets				
Cash and cash equivalents	**-**	**7,185**	-	3,723
Investments at fair value through profit or loss	**1,087**	**232**	3,457	251
Receivables and other debt balances	**-**	**16,607**	-	16,302
Loans receivable	**-**	**-**	-	1,591
Due from related parties	**-**	**11,699**	-	17,241
Available for sale investments	**18,701**	**11,979**	23,349	10,974
	19,788	**47,702**	26,806	50,082
Financial liabilities				
Payables and other credit balances	**-**	**68,706**	-	73,890
Due to related parties	**-**	**22,038**	-	22,157
Term loan from a related party	**-**	**-**	-	9,944
Borrowings	**-**	**173,982**	-	164,012
Advances received from customers	**-**	**129,028**	-	125,101
	-	**393,754**	-	395,104

Management believes that the carrying values of the financial instruments approximate their fair values.

27.2 Fair value hierarchy

This hierarchy groups financial assets and liabilities into nine levels based on the significance of inputs used in measuring the fair value of the financial assets and liabilities. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The level within which the financial asset or liability is classified is determined based on the lowest level of significant input to the fair value measurement.

The financial assets and liabilities measured at fair value in the consolidated statement of financial position are grouped into the fair value hierarchy as follows:

Notes to the interim condensed consolidated financial information (Continued)

27 Summary of financial assets and liabilities by category and fair value measurement (continued)

27.3 Measurement at fair value
The methods and valuation techniques used for the purpose of measuring fair value are unchanged compared to the previous reporting period.

a) Quoted securities
All the listed equity securities are publicly traded in stock exchanges. Fair values have been determined by reference to their quoted bid prices at the reporting date.

b) Managed funds
The underlying investments of local managed funds primarily comprise of local quoted securities whose fair values has been determined by reference to their quoted bid prices at the reporting date.

c) Unquoted securities
The consolidated financial statements include holdings in unlisted securities which are measured at fair value. Fair value is estimated using various models like discounted cash flow model, which includes some assumptions that are not supportable by observable market prices or rates.
