REPORT ON REVIEW OF THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF DUBAI INSURANCE COMPANY (PSC)

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Dubai Insurance Company (PSC) as at 30 June 2015, comprising the interim condensed consolidated statement of financial position as at 30 June 2015 and the related interim condensed consolidated statements of income and comprehensive income for the three-month and six-month periods then ended and the related interim condensed consolidated statements of changes in equity and cash flows for the six-month period then ended and explanatory information. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Financial Reporting Standard IAS 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

1 CORPORATE INFORMATION

Dubai Insurance Company (PSC) (the "Company") is a public shareholding Company registered under the Federal Law No. 8 of 1984 (as amended) and the UAE Federal Law No. (6) of 2007 relating to commercial companies in the UAE. The Company mainly issues short term insurance contracts in connection with motor, marine, fire, engineering, general accident and medical risks (collectively known as general insurance) and group life and individual life risk (collectively referred to as life assurance). The Company also invests its funds in investment securities and properties. The registered address of the Company is P.O. Box 3027, Dubai, United Arab Emirates. The Company operates in United Arab Emirates and most of the insurance policies are issued in the United Arab Emirates. The shares of the Company are listed on the Dubai Financial Market.

During 2010, the Company established a new subsidiary for investment purposes. These interim condensed consolidated financial statements incorporate the financial statements of the Company and its subsidiary (collectively referred to as the "Group").

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION

The interim condensed consolidated financial statements of the Group are prepared in accordance with International Financial Reporting Standard IAS 34, Interim Financial Reporting ("IAS 34").

Interim reporting
The accounting policies used in the preparation of the interim condensed consolidated financial statements are consistent with those used in the preparation of the financial statements for the year ended 31 December 2014 except for the adoption of the following new and amended IFRS and IFRIC interpretations which became effective as of 1 January 2015:

Amendments to IAS 19 Defined Benefit Plans: Employee Contributions
IAS 19 requires an entity to consider contributions from employees or third parties when accounting for defined benefit plans. Where the contributions are linked to service, they should be attributed to periods of service as a negative benefit. These amendments clarify that, if the amount of the contributions is independent of the number of years of service, an entity is permitted to recognise such contributions as a reduction in the service cost in the period in which the service is rendered, instead of allocating the contributions to the periods of service. This amendment is effective for annual periods beginning on or after 1 July 2014. This amendment is not relevant to the Group, since none of the entities within the Group has defined benefit plans with contributions from employees or third parties.

The adoption of this amendment did not have an impact on the financial position or performance of the Group during the period. Annual Improvements 2010-2012 cycle and 2011-2013 cycle which became effective from 1 July 2014 also did not have an impact on the financial position or performance of the Group during the period.

These interim condensed consolidated financial statements do not include all disclosure and should be read in conjunction with the consolidated financial statements for the year ended 31 December 2014. In addition, results for the six months ended 30 June 2015 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2015.

2.2 BASIS OF CONSOLIDATION

The Group comprises of the Company and the under-mentioned subsidiary company.

Subsidiary	*Principal activity*	*Country of incorporation*	*Ownership*
Vattaun Limited	Investment	British Virgin Island	100%

2 BASIS OF PREPARATION AND ACCOUNTING POLICIES (continued)

2.2 BASIS OF CONSOLIDATION (continued)

Basis of consolidation

The interim condensed consolidated financial statements comprise the financial statements of the Group and its subsidiary as at 30 June 2015.

Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, non-controlling interest and other components of equity while any resultant gain or loss is recognised in profit or loss. Any investment retained is recognised at fair value.

3 BASIC AND DILUTED EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit for the period by the weighted average number of shares outstanding during the period as follows:

	Three months ended 30 June		*Six months ended 30 June*	
	2015	*2014*	***2015***	*2014*
Profit for the period (AED'000)	**6,840**	7,279	**26,088**	23,523
Weighted average number of shares outstanding during the period ('000)	**100,000**	100,000	**100,000**	100,000
Earnings per share (AED)	**0.068**	0.073	**0.261**	0.235

No figures for diluted earnings has been presented because the Group has not issued any instruments which would have an impact on earnings per share when exercised.
