About Arabtec Holding:

Arabtec is a leading contractor for social and economic infrastructure. The Group improves the quality of life of people living in the communities that it creates. Arabtec's impressive list of completed projects includes iconic buildings such as the world's tallest building, the Burj Khalifa in Dubai, and Abu Dhabi landmark, the Emirates Palace Hotel; as well as other technically challenging work on airports and related infrastructure.

Arabtec was the first private construction firm to list on the Dubai Financial Market in 2005. Today, the Group consists of numerous subsidiaries with specialisations spanning all segments of the construction cycle, with a vision of building the future.
