### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Al Mazaya Holding Company K.S.C.P. (the "Parent Company") and its subsidiaries (collectively the "Group") as at 30 September 2017 and the related interim condensed consolidated statement of income and interim condensed consolidated statement of comprehensive income for the three months and nine months periods then ended, and the interim condensed consolidated statement of changes in equity and the interim condensed consolidated statement of cash flows for the nine months period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard IAS 34 "Interim Financial Reporting" ("IAS 34"). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

### **Report on Other Legal and Regulatory Requirements**

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of accounts of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016 and its executive regulation as amended, or of the Parent Company's Memorandum of Incorporation and Articles of Association of the Parent Company during the nine months period ended 30 September 2017 that might have had a material effect on the business of the Parent Company or on its financial position.

**9 FAIR VALUES OF FINANCIAL AND NON FINANCIAL INSTRUMENTS**

The Group uses the following hierarchy for determining and disclosing the fair values of assets by valuation technique:

Level 1: quoted (unadjusted) prices in an active market for identical assets and liabilities;

Level 3: other techniques which use inputs which have a significant effect on the recorded fair value are not based on observable market data.

**Financial instruments**

Financial instruments comprise financial assets and financial liabilities

The fair value of financial assets and financial liabilities not carried at fair value are not materially different from their carrying value.

Based on the above, the financial instruments carried at fair value are classified as follows:
