

Union Properties Operations and Projects Schedule on Track

Dubai-UAE: 12 December, 2018 – Union Properties has announced that the share price movement is determined by the supply and demand factors, while emphasizing that the only official source of company's information and disclosures is Union Properties official website and Dubai Financial Market website. Meanwhile, the company advises shareholders and investors to follow the company's news through the official and approved channels and not to entertain any news that is being circulated through any unofficial channel and some social media platforms.
