Subject: Supplementary Disclosure Regarding Korek Telecom

Reference to the above mentioned subject; and in accordance with Chapter 10 of the Capital Markets Authority's bylaws of Law No. 7 of the year 2010 on Disclosure and Transparency Agility would like to announce:

Date	14 July 2019
Name of Listed Company	Agility Public Warehousing Company KSCP
Disclosure Title	Disclosure of Material Information Regarding Korek Telecom
Date of Previous Disclosure	9 February 2017, 16 April 2019
Development that occurred to the disclosure	Agility Public Warehousing Company KSCP hereby discloses that an international arbitration tribunal constituted under the auspices of the World Bank's International Centre for Settlement of Investment Disputes (ICSID) has determined that it has jurisdiction over claims arising since the Kuwait-Iraq BIT entered into force. In February 2017, the Agility Group filed a request for arbitration against the Republic of Iraq pursuant to the Convention on the Settlement of Investment Disputes between States and Nationals of Other States and the Agreement between the Government of the State of Kuwait and the Government of the Republic of Iraq for Reciprocal Promotion and Protection of Investments. Agility alleges that the Iraqi government denied Agility and its subsidiaries the ability to challenge the improper decision of the Communications & Media Commission (CMC) to annul its investment in Korek Telecom and that the government then illegally implemented the CMC's decision by ordering the transfer of shares acquired by Agility and its co-investors back to the original Iraqi shareholders in March 2019 without returning Agility's original investment.
The financial effect of the occurring developments (if any)	Agility cannot assess the financial impact of the decision until the closing of the arbitration proceedings and the pronouncement of the final arbitral award.

Best Regards,

Tarek Abdul Aziz Sultan Al Essa
Vice Chairman and CEO
