

Mirdif Hills' Al Multaqa Avenue set to revitalise Mirdif's commercial space

First four star hotel, first free-hold offices and open retail spaces set to create a new way of life for the residents in Mirdif

Dubai, UAE, June 16th 2020: Dubai Investments announced that the construction of the commercial spaces within the Al Multaqa Avenue, Mirdif Hills is progressing steadily and is set to revitalise Mirdif's commercial landscape. The commercial spaces comprise of the first four star hotel, first freehold office spaces and open retail spaces in Mirdif Hills.

Strategically located adjacent to Mushrif Park with proximity to Dubai International Airport and leading business districts, Mirdif Hills marks the first freehold mixed-use development in Mirdif, by Dubai Investments through its subsidiary Dubai Investments Real Estate Company (DIRC).

Al Multaqa Avenue, comprises of an ideal combination of residential buildings, serviced apartments, a hotel and open retail spaces. The other two clusters within Mirdif Hills comprise of Janayen and Nasayem – both residential clusters.

“We conceptualised Al Multaqa Avenue to be the commercial hub within the Mirdif Hills project where the residents could benefit from the true essence of living within a mixed-use development. The commercial offerings within Al Multaqa will mark the onset of a new experience for residents and shoppers not only within Mirdif Hills but also within the Mirdif area”, said Obaid Al Salami, General Manager, Dubai Investments Real Estate Company (DIRC).

The Millennium & Copthorne Hotels and Resorts is the first 4 star hotel in Mirdif, located within the Al Multaqa Avenue, Mirdif Hills and features 116 hotel rooms and 128 serviced apartments, a gym, swimming pool, fitness area and meeting spaces.

The freehold office spaces, marking another first in Mirdif, located within the Al Multaqa Avenue are designed to cater to the needs of the business community looking for ideal office spaces set within a mixed-used development.

The open retail spaces within the Al Multaqa Avenue are designed to offer convenient retail experiences for residents and shoppers and are located within both residential and commercial properties. The open retail spaces are designed providing the shoppers a one-stop destination for all needs.

Mirdif Hills is buzzing with residents in Janayen Avenue - handed over earlier this year. With the completion of Al Multaqa, designed to be one of the most active hubs within the development, it is all set to elevate Mirdif Hills stature as a complete mixed use luxurious living space in Mirdif.
