Notification from Aramex PJSC Regarding Fire Outbreak in Morocco Warehouse

Dubai, UAE – Wednesday, 23th September 2020:

Aramex (DFM: ARMX), would like to notify the market that on Tuesday, 22nd September 2020, a portion of its warehouse facility in Casablanca, Morocco has unfortunately been damaged as a result of a fire outbreak. Thankfully, there were no injuries or fatalities as a result of the unfortunate incident.

The relevant authorities have been immediately informed of this accident, and an investigation has been launched to determine the causes of this fire. The fire was fully put under control.

As of today, the total financial loss as a result of the damage is still undetermined, and the Company is currently, in cooperation with the relevant authorities, assessing the damages resulting from this accident. Any financial impact will be reflected in the Company's Q3 2020 financial reports.

Aramex confirms that it will continue to provide its services to customers as usual. The Company will also keep the markets duly updated with further information once it becomes available.
