## REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF UNION PROPERTIES P.J.S.C

### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Union Properties P.J.S.C (the "Company") and its subsidiaries (together referred to as the "Group") which comprise the interim condensed consolidated statement of financial position as at March 31, 2021, the related interim condensed consolidated statement of profit or loss and other comprehensive income, the interim condensed consolidated statement of changes in equity and interim condensed consolidated statement of cash flows for the three months period then ended and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 – Interim Financial Reporting (IAS 34) as issued by International Accounting Standard Board (IASB). Our responsibility is to express a conclusion of these interim condensed consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Basis for qualified conclusion

The Group had attempted a review of the Masterplan for Dubai Motorcity in the years 2019 and 2020 and had submitted it for approval to the concerned regulatory authorities, a formal request for the issuance of revised affection plans with amended gross floor areas (GFA's). The Group had expected to receive the regulatory approval on the revised affection plans in near future and accordingly had assumed such approval in the inclusion of the GFAs in the valuation of Motorcity land bank. These treatments are departure from IFRS 13 - Fair Value Measurement. Consequently, the investment properties and equity are overstated by an amount of AED 1,249 million as of January 1, 2021 and March 31, 2021.

### Qualified conclusion

Based on our review, except for the possible effects of the matter described in the basis of qualified conclusion paragraph section in our report, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

#### Fair value hierarchy

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

- **Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- **Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- **Level 3:** Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Group holds investments at fair value through profit or loss. The fair value of quoted securities is determined by reference to their quoted bid prices as at the reporting date. Investments in marketable securities are stated at cost where no observable market data is available. Accordingly, the fair value hierarchy is set out as below:
