Agility's comment on the unusual trading activity

Reference to the above mentioned subject; and in accordance with Chapter 10 of the Capital Markets Authority's bylaws of Law No. 7 of the year 2010 on Disclosure and Transparency as well as its subsequent amendments and resolutions, Agility would like to announce:

Date	04 July 2022
Company Name	Agility Public Warehousing Company KSCP
Material Information	With reference to the above subject, and in response to Boursa's request to comment on the reason for the unusual trading in the company's shares on 3/7/2022, we would like to inform you that the trade was made as a result of an error by a financial broker registered with the Boursa Kuwait. The financial broker is also one of the brokers through which Agility Public Warehousing Company trades with. The financial broker mistakenly offered ten million of Agility Public Warehousing Company's treasury shares for sale. According to the initial statement from the broker, the mistake was due to the broker's use of a new automated trading system, which caused the unusual trading of the stock.
Financial impact	Reduction of treasury shares by 10 million shares however, Agility is working with the broker to explore the best ways to address the error that occurred.

Best Regards,

Tarek Abdul Aziz Sultan Al Essa
Vice Chairman and CEO
