

Detailed Analysis of Accumulated Losses

Date:	28 March 2024
Name of the Listed Company:	Drake & Scull International PJSC
Define the period of the financial statements:	31 December 2023
Value of the Accumulated losses:	AED 5,466,287,605
Accumulated losses to paid-up capital ratio (%):	510%
The main reasons for accumulated losses and the period in which these losses began. (Determine the period in which these losses began to appear in the company's financial statements):	The significant losses incurred mainly due to following: 1. Work in progress and contract receivables in legacy projects in GCC and India. 2. Full impairment of Goodwill and Trademark as at December 31, 2018. 3. As a result of poor performance on legacy projects, the actual costs of completing projects were more than the budgets in addition to liquidating bonds. 4. Bank bans and court orders. The losses began to appear in the company's financial statements in Q3 2015 financial statements published on DFM.
Summary of the steps and initiatives undertaken by the company to address the accumulated losses:	1. Finalizing the restructuring process and business plan. 2. Raising new equity. 3. Developing effective and efficient operational business practices. 4. Pursue legal cases to collect all company receivables. 5. Controlling the overhead at the optimal level.

The date on which the company's general assembly approved the plan for dealing with accumulated losses:	Dealing with the accumulated losses is totally dependent on the successful completion of the restructuring plan that was approved by all concerned parties including banks, creditors, and shareholders in addition to governmental authorities. The company is currently working on the implementation of the action plan necessary to close the restructuring process that was approved by the appeal court on 1 November 2023. The company already disclosed on DFM portal the latest court decisions, BOD meetings, and General Assembly Meeting.
