Mr. Hamed Ahmed Ali
Chief Executive Officer
Dubai Financial Market

السيد/ حامد أحمد علي المحترم،،،
الرئيس التنفيذي
سوق دبي المالي

Greeting ,,,

تحية طيبة وبعد ،،،

Further to the disclosure dated 27/03/2025, Kindly be informed that the Company's auditor's report was mistakenly signed by Ms. Hend Abdullah Al-Surayea instead of Mr. Abdullatif Mohammed Al-Aiban.

إلحاقاً لإفصاحنا المؤرخ في 2025/03/27 ، يرجى العلم بأنه قد تم توقيع تقرير مراقب حسابات الشركة من السيدة/ هند عبدالله السريع عن طريق الخطأ بدلاً من السيد / عبداللطيف محمد العيبان .

Regards ,

وتفضلوا بقبول فائق التحية والتقدير ،،،

صالح صالح السلمي
رئيس مجلس الإدارة
Saleh Saleh Al-Selmi
Chairman

Independent auditor's report

To the Shareholders of
International Financial Advisors Holding – KPSC
Kuwait

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the consolidated financial statements of International Financial Advisors Holding – KPSC (the “Parent Company”) and its subsidiaries, (the “Group”), which comprise the consolidated statement of financial position as at 31 December 2024, and the consolidated statement of profit or loss, consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a material accounting policy information.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2024, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (“IASB”).

Basis for Qualified Opinion

As disclosed in note 16.1-b to the consolidated financial statements, the Group was unable to obtain audited financial statements for one of its foreign associates and accounted for its share in the associate based on management accounts for the period ended 31 December 2024. There were no practicable audit procedures available to us to ascertain the impact of the non-availability of audited financial statements relating to this foreign associate on these consolidated financial statements. Had we been able to obtain audited financial statements, matters might have come to our attention indicating that adjustments might be necessary to the consolidated financial statements.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the *International Code of Ethics for Professional Accountants (including international independence standards)* issued by International Ethics Standards Board for Accountants (“IESBA Code”) and the ethical requirements that are relevant to our audit of the consolidated financial statements in the State of Kuwait. We have fulfilled our ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below as the key audit matters.

Independent Auditor's Report to the Shareholders of International Financial Advisors Holding - KPSC (continued)**Key Audit Matters (continued)*****Equity Method of Accounting***

The Group has interests in number of investments accounted for using the equity method of accounting which are significant to the Group's consolidated financial statements. Under the equity method, the Group's interests in these investments are initially stated at cost, and are adjusted thereafter for the post-acquisition changes in the Group's share of the net assets of these investments, less any impairment. The complexity of the Group's control environment and our ability as Group's auditor to obtain an appropriate level of understanding of these entities including any related party transactions were significant to our audit. Due to these factors and the significance of the investments accounted for using equity method of accounting to the Group's consolidated financial statements we consider this as a key audit matter.

Our audit procedures included, among others, determining the nature and extent of audit procedures to be carried out for these investments and selecting the significant investments based on the size and/or risk profile of these entities. During our audit we communicated with the component auditors. We also provided instructions to the component auditors covering the significant areas and risks to be addressed including the identification of related parties and transactions. Our procedures also included evaluating management's consideration of the impairment indicators of the investments. In evaluating such consideration, we assessed whether any significant or prolonged decline in value exists, whether there are any significant adverse changes in the technological, market, economic or legal environment in which the associate operates, or structural changes in the field of industry in which the investee company operates, or changes in the political or legal environment effecting the investees business, and also whether there are any changes in the investees financial condition. We also assessed the adequacy of the Group's disclosures in Note 16 to the consolidated financial statements.

Other information

Management is responsible for the other information. The other information comprises Board of Directors' report (but does not include the consolidated financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the complete Group's Annual Report which is expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Group's complete Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS Accounting Standards as issued by the IASB, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report to the Shareholders of International Financial Advisors Holding - KPSC (continued)

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements (continued)

In preparing the consolidated financial statements, management of the Parent Company is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

Independent Auditor's Report to the Shareholders of International Financial Advisors Holding - KPSC (continued)**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (continued)**

We communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Those Charged with Governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Those Charged with Governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Furthermore, in our opinion, proper books of account have been kept by the Parent Company and the consolidated financial statements, together with the contents of the report of the Parent Company's board of directors relating to these consolidated financial statements, are in accordance therewith. We further report that we obtained all the information and explanations that we required for the purpose of our audit and that the consolidated financial statements incorporate all information that is required by the Companies Law No. 1 of 2016 and its Executive Regulations and by the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, that an inventory was duly carried out and that, to the best of our knowledge and belief, no violations of the Companies Law No. 1 of 2016, the Executive Regulations, or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, have occurred during the year ended 31 December 2024 that might have had a material effect on the business or the financial position of the Parent Company.

We further report that, during the course of our audit and to the best of our knowledge and belief, we have not become aware of any material violations of the provisions of Law 7 of 2010, as amended, relating to the Capital Markets Authority ("CMA") and its related regulations during the year ended 31 December 2024 that might have had a material effect on the business or financial position of the Parent Company.
