

FOR IMMEDIATE RELEASE

Spinneys Opens Its 94th Store at JBR's Bahar Plaza, Underscoring Confidence in the UAE's Resilience and Continued Growth

Dubai, UAE – 7th April 2026. Spinneys, the region's leading premium fresh food retailer, has announced the opening of its 94th store, located on the Bahar Plaza Level at Jumeirah Beach Residence (JBR), Dubai. The opening reflects the company's continued investment in the UAE's retail landscape and its confidence in the strength and agility of the national economy, even amid ongoing global challenges.

Despite complex international trading conditions, Spinneys has successfully maintained product availability and service standards across its network, thanks to its fully integrated supply chain, strong relationships with suppliers worldwide, and a dedicated team driven by a resilient, customer-first company culture. With global sourcing offices operating across key markets and a high level of private label participation, Spinneys has been able to navigate freight complexities and keep shelves well-stocked, ensuring customers continue to enjoy consistent quality and choice.

"The UAE has always proven its ability to adapt, recover, and thrive under pressure," said Sunil Kumar, CEO of Spinneys. "Our new store opening at Bahar JBR reflects our belief in the enduring resilience of this nation and its people. We're deeply grateful to the country's leadership for keeping everything moving during testing times, and for creating an environment that allows businesses like ours to grow with confidence."

The new store brings the brand's hallmark experience of fresh, quality products, exceptional service, and an inviting shopping environment, to one of Dubai's most dynamic residential and leisure communities. It also underscores Spinneys' long-term commitment to supporting the UAE's vision of sustainable growth, and innovation.

About Spinneys

Spinneys' story started in 1961 when the first grocery store opened in Al Nasr Square, Dubai. It has since grown to become the leading premium fresh food retailer in the region, with 94 stores (82 owned and 12 operated, including Waitrose) across the UAE, Oman and Saudi Arabia. Much loved by expats and locals in the region, Spinneys enjoys a well-deserved reputation for forward thinking, keeping pace with changes in cooking trends and the emergence of new products worldwide. Today, Spinneys has built a name for supplying top-quality produce and offering an elevated level of customer service. Food quality, safety and freshness have always been at the forefront of the Company's ethos – just one reason the Spinneys brand is defined as 'The fresher experience'. www.spinneys.com
