BHM Capital Recognized at ADX Members Awards 2025 During ADX Derivatives Contracts Launch Event at Bloomberg

Dubai, United Arab Emirates – July 16, 2026:

BHM Capital, the leading financial institution in the capital markets of the United Arab Emirates, was recognised at the ADX Members Awards 2025, held during the official launch of the new ADX Single Stock Futures at Bloomberg office.

The event brought together senior executives from across the UAE's business community to mark a significant milestone in the continued development of the Abu Dhabi Securities Exchange's derivatives market, while recognising outstanding brokerage firms for their contributions to the growth and advancement of the UAE's capital markets. BHM Capital was represented at the event by Mr. Abdel Hadi Al Sa'di, Chief Executive Officer, and Mr. Ayman Ghoneim, Chief Operating Officer.

During the awards ceremony, BHM Capital received the Securities Lending and Borrowing Liquidity Leader Award, recognising its contribution to enhancing market liquidity and supporting efficient trading activities. The company was also recognised as the Top Performer in terms of the number of new trading accounts opened through electronic channels, reflecting its leading position in digital client acquisition. In 2025, BHM Capital captured 46% of the market share in this category, recording 29,775 new trading accounts opened through electronic channels, further demonstrating the strength of its digital platforms and its ability to attract and serve a growing investor base.

Mr. Abdel Hadi Al Sa'di, Chief Executive Officer of BHM Capital, said:

"We are honoured to receive this recognition from Abu Dhabi Securities Exchange. These awards reflect the trust our clients place in us, the dedication of our team, and our continued commitment to delivering innovative brokerage services that contribute to the growth and competitiveness of the UAE's capital markets. As our industry continues to evolve, we remain focused on investing in technology, expanding market access, and creating long-term value for investors."

Mr. Ayman Ghoneim, Chief Operating Officer of BHM Capital, added:
"This recognition is the result of a collective effort across the organisation to continuously enhance the client experience and strengthen our operational capabilities. We are proud to support the development of increasingly sophisticated investment opportunities within the UAE's financial markets and remain committed to maintaining the highest standards of service, execution, and operational excellence."

The event also marked the official launch of 6 new ADX Single Stock Futures, further expanding the exchange's derivatives offering and reinforcing Abu Dhabi's position as a leading and innovative capital market. The introduction of the new futures contracts provides investors with additional tools for portfolio management, hedging strategies, and market participation.

As one of the UAE's leading financial institutions in the capital markets sector, BHM Capital continues to play an active role in advancing market liquidity, expanding investor access, and supporting initiatives that contribute to the long-term growth of the country's financial ecosystem.
