

Dubai Investments Increases Ownership in Clemenceau Medical Center Dubai to 100%

Dubai, UAE – 28 July 2026 – Dubai Investments has completed the acquisition of 80% stake in Clemenceau Medical Center Dubai (CMC Dubai) increasing the Group's ownership from 20% to 100%.

The transaction, structured through Dubai Investments Industries, a wholly owned subsidiary of Dubai Investments, marks a significant milestone in Dubai Investments' strategy of increasing ownership in high-quality businesses operating in sectors with strong long-term growth prospects. Following the transaction, CMC Dubai becomes a wholly owned subsidiary of the group.

Located in Dubai Healthcare City, CMC Dubai has established itself as one of the UAE's leading tertiary care hospitals, recognised for delivering advanced healthcare services through internationally trained physicians, state-of-the-art medical technologies and a patient-centred approach to care. Since commencing operations in 2020, the hospital has built a strong reputation for clinical excellence, specialised treatment capabilities and complex medical procedures, serving a growing patient base from across the UAE, GCC and international markets.

Today, CMC Dubai operates more than **100 inpatient beds**, supported by a multidisciplinary team of physicians, nurses and healthcare professionals delivering specialised care across numerous medical disciplines. The hospital's continued growth in patient volumes, expansion of specialised services and strengthening institutional reputation have reinforced its position as a key healthcare provider within the UAE's healthcare ecosystem.

Commenting on the acquisition, Khalid Bin Kalban, Vice Chairman and CEO of Dubai Investments, said: "The 100% ownership of Clemenceau Medical Center Dubai reflects the Group's conviction in the long-term growth potential of the healthcare sector and the strategy of increasing ownership in high-quality businesses where the Group can create greater value through active stewardship and long-term investment. Full ownership provides Dubai Investments with enhanced strategic and operational flexibility, enabling the Group to support CMC Dubai's expansion, strengthen its specialised healthcare offering and fully benefit from its future growth. The Group will continue to invest in capabilities that enhance patient outcomes, operational excellence and long-term competitiveness, further reinforcing CMC Dubai's position within the UAE's healthcare ecosystem while creating sustainable value for shareholders."

Part of the internationally recognised Clemenceau Medicine network, CMC Dubai combines global medical expertise with world-class healthcare infrastructure to deliver comprehensive inpatient and outpatient services across a broad range of medical specialties. Supported by advanced diagnostic technologies, specialised centres of excellence, robotic-assisted surgical capabilities and modern healthcare facilities, the hospital has continued to expand its capabilities and strengthen its position as a destination for high-quality healthcare in the region.
