Report on Review of the Condensed Interim Financial Information To the Shareholders of Dubai National Insurance & Reinsurance Co. (P.S.C.)

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Dubai National Insurance & Reinsurance Co. (P.S.C.) (the “Company”) as at 31 March 2026 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for the three-month period then ended, and material accounting policy information and other explanatory notes. Management is responsible for the preparation and fair presentation of this condensed interim financial information in accordance with International Accounting Standard 34 “Interim Financial Reporting”. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 “Interim Financial Reporting”.

Dubai National Insurance & Reinsurance Co. (P.S.C.)

Condensed interim financial information (Unaudited)

Notes to the condensed interim financial information

For the period ended 31 March 2026

1 Legal status and activities

Dubai National Insurance & Reinsurance Co. (P.S.C.) (the “Company”) is a public shareholding Company incorporated in Dubai on 6 January 1992.

The Company is engaged in insurance and reinsurance of all classes of business in accordance with the provisions of the United Arab Emirates (“UAE”) Federal Decree Law No. (48) of 2023, concerning Financial Regulations of Insurance Companies issued by the Central Bank of United Arab Emirates and regulation of its operations.

The registered address of the Company is Dubai National Insurance Building, 3rd Floor, Sheikh Zayed Road, P.O. Box 1806, Dubai, UAE.

2 Basis of preparation

This condensed interim financial information is for the three-month period ended 31 March 2026 and is presented in United Arab Emirate Dirham (AED), which is also the functional currency of the Company. This condensed interim financial information has been prepared in accordance with IAS 34 ‘Interim Financial Reporting’ and complies with the applicable requirements of the laws in the U.A.E.

This condensed interim financial information has been prepared on the historical cost basis, except for financial assets carried at fair value through other comprehensive income, financial assets carried at fair value through profit and loss and investment property carried at fair value which are carried at fair value.

The Company’s condensed interim statement of financial position is not presented using a current / non-current classification. However, the following balances would generally be classified as current: cash and cash equivalents, financial assets at fair value through profit or loss, other receivables, other payables and income tax payable. The following balances would generally be classified as non-current: property and equipment, investment properties and statutory deposits and employees’ end of service benefits. The following balances are of mixed nature (including both current and non-current portions): financial assets at fair value through other comprehensive income, reinsurance contract assets, insurance contract assets and liabilities, fixed deposits, bank balances and deferred tax liability.

The condensed interim financial information does not include all of the information required in annual financial statements in accordance with IFRS and should be read in conjunction with the financial statements of the Company for the year ended 31 December 2025. Further, results for interim periods are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2026.

During the three-month period ended 31 March 2026, regional geopolitical tensions and military escalations in parts of the Middle East increased uncertainty in the economic environment. The situation continues to evolve and has had secondary impacts in several countries across the Middle East including UAE, causing disruption to some business and economic activities. This has brought about additional uncertainties in the economic environment. Management is closely monitoring the situation of the potential impact of the recent regional military escalations on counterparties, including a review of exposure. The Company’s business continuity planning framework and other risk management practices remain in place to respond to any potential operational or business disruption arising from the evolving regional situation.

3 Material accounting policy information

The accounting policies, critical accounting judgments and key source of estimation used in the preparation of this condensed interim financial information are consistent with those used in the audited financial statements for the year ended 31 December 2025, except for application of new standards effective as of 1 January 2026 and several amendments and interpretations apply for the first time in 2026.

Standards, interpretations and amendments to existing and new standards

There are no accounting pronouncements which have become effective from 1 January 2026 that have a significant impact on the condensed interim financial information.

Dubai National Insurance & Reinsurance Co. (P.S.C.)
Condensed interim financial information (Unaudited)

Notes to the condensed interim financial information
For the period ended 31 March 2026

3 Material accounting policy information (continued)

Judgements and estimates

When preparing the condensed interim financial information, management undertakes a number of judgements, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses. The actual results may differ from the judgements, estimates and assumptions made by management, and will seldom equal the estimated results.

The judgements, estimates and assumptions applied in the condensed interim financial information, including the key sources of estimation uncertainty, were the same as those applied in the Company's last annual financial statements for the year ended 31 December 2025.

Discount rates

The Company use bottom-up approach to derive the discount rate. Under this approach, the discount rate is determined as the risk-free yield, adjusted for differences in liquidity characteristics between the financial assets used to derive the risk-free yield and the relevant liability cash flows (known as an 'illiquidity premium'). The risk-free rate was derived using EIOPA rates with volatility adjustment along with the country risk premium (inclusive of the liquidity premium).

Discount rates applied for discounting of future cash flows are listed below:

	1 year		3 years		5 years		10 years		20 years	
	2026	2025	2026	2025	2026	2025	2026	2025	2026	2025
Insurance contracts issued										
AED	4.73%	5.10%	4.61%	4.77%	4.65%	4.78%	4.93%	4.91%	5.29%	5.07%
Reinsurance contracts held										
AED	4.73%	5.10%	4.61%	4.77%	4.65%	4.78%	4.93%	4.91%	5.29%	5.07%

Risk adjustment for non-financial risk

The Company use Mack method to determine its risk adjustment for non-financial risk. The bootstrap effectively allows the Company to measure the uncertainty about the amount and timing of the cash flows that arise from non-financial risk since bootstrapping the triangles aims to illustrate the variability of the paid claims.

The risk adjustment for non-financial risk is the compensation that the Company requires for bearing the uncertainty about the amount and timing of the cash flows of groups of insurance contracts. The risk adjustment reflects an amount that an insurer would rationally pay to remove the uncertainty that future cash flows will exceed the expected value amount.

The Company has estimated the risk adjustment using a confidence level (probability of sufficiency) approach at the 70th percentile. That is, the Company has assessed its indifference to uncertainty for all product lines (as an indication of the compensation that it requires for bearing non-financial risk) as being equivalent to the 70th percentile confidence level less the mean of an estimated probability distribution of the future cash flows. The Company has estimated the probability distribution of the future cash flows, and the additional amount above the expected present value of future cash flows required to meet the target percentiles.

Dubai National Insurance & Reinsurance Co. (P.S.C.)
Condensed interim financial information (Unaudited)

Notes to the condensed interim financial information
For the period ended 31 March 2026

4 Investment properties

	(Unaudited) 31 March 2026 AED'000	(Audited) 31 December 2025 AED'000
Opening net book value	185,778	175,605
Additions during the period/year	-	-
Increase in fair value during the period/year	-	10,173
Closing net book value	<u>185,778</u>	<u>185,778</u>

On 31 December 2025, two independent and experienced professional valuers estimated the fair value of the investment properties at AED 185.5 million and AED 186.1 million. The Company has opted the average of the two investment properties valuations. The valuers hold relevant professional qualifications and experience. Investment properties are carried at level-3 Fair value and management estimates that there has been no change in the fair value of investment properties during the three-month period ended 31 March 2026.

The ongoing geopolitical situation has resulted in increased market uncertainty, which may impact property valuation assumptions. Management has considered these factors in its assessment of fair value and based on available market information and current assumptions, estimates that there has been no material change in the fair value of investment property during the three-month period ended 31 March 2026.

5 Financial assets

Financial assets measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. This grouping is determined based on the lowest level of significant inputs used in fair value measurement, as follows:

- Level 1 – quoted prices (unadjusted) in active markets for identical assets;
- Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 – inputs for the asset or liability that are not based on observable market data (unobservable inputs).

	Note	Level 1 AED'000	Level 2 AED'000	Level 3 AED'000	Total AED'000

8 Related party balances and transactions

At the end of the reporting period, balance with related parties are as follows:

	(Unaudited) 31 March 2026 AED'000	(Audited) 31 December 2025 AED'000
<i>Key Management personnel and entities under common control</i>		
Due from related parties	12,623	20,852
Due to related parties	21,202	14,645

The nature of significant related party transactions and amounts involved were as follows:

	(Unaudited) Three-month period ended 31 March 2026 AED'000	(Unaudited) Three-month period ended 31 March 2025 AED'000
Gross premiums written	9,336	10,027
Claims paid	7,697	5,357
Agency / non-agency repairs	5,443	10,032
Commission paid	732	960
Key management personnel compensation		
Short term benefits	135	651
Post-employment benefits	7	22
	142	673

As at 31 March 2026, the company has paid an advance to Al Habtoor City Real Estate Development LLC amounting to AED 34.8 million (31 December 2025: AED 31.6 million) toward the property under development. Additionally, the Company has commitments towards the same property under development amounting to AED 32.2 million as at 31 March 2026 (31 December 2025: AED 35.4 million).

Quoted investment at FVTOCI amounting to AED 12.1 million as at 31 March 2026 (31 December 2025: quoted investment amounting to AED 12.3 million) is registered in the name of Khalaf Ahmad Al Habtoor (Chairman) held for the beneficial interest of the Company (refer to note 5).

During the year ended 31 December 2025, the Company revised the insurance claim amount to AED 600 million as a result of changes in claim estimates, the Company received AED 198.7 million from reinsurers (31 December 2024: AED 168.3 million). Accordingly, the total amount received from reinsurers as at 31 December 2025 amounted to AED 367 million and the same has been paid to Al Habtoor Motors Co. LLC. resulting in the change of insurance contract liabilities and reinsurance contract assets to AED 233 million and AED 232 million respectively.

During the current period, the Company received AED 5.2 million from the reinsurers and the same has been paid to Al Habtoor Motors Co LLC, resulting in a reduction of the insurance contract liabilities to AED 227.8 million and the reinsurance contract assets to AED 226.8 million.

The management of this claim involves complexities related to the damaged motor vehicles and other assets of the insured, and the losses are still being assessed. The reported figures for insurance contract liabilities and reinsurance contract assets reflect management's best estimate at the reporting date. However, given the evolving nature of the claim, the final amounts may differ from these estimates, and the Company expects these amounts to develop till the loss assessment is completed. Management continues to monitor the claim closely and will update its estimates as further information becomes available.

9 Cash and bank balances

Cash and bank balances comprise the following statement of financial position amounts:

	(Unaudited) 31 March 2026 AED'000	(Audited) 31 December 2025 AED'000
Cash in hand	10	10
Cash at banks	336,196	362,820
	<u>336,206</u>	<u>362,830</u>

Cash at banks includes deposits amounting to AED 219.1 million (31 December 2025: AED 244.8 million) held with local banks carrying interest ranging from 3.65% - 4.25% (31 December 2025: 3.62% - 4.25%) per annum.

As per management's assessment, expected credit loss on cash and cash equivalents is immaterial.

Cash and cash equivalents at the end of the period as shown in the condensed interim statement of cash flows can be reconciled to the related items in the financial items in the condensed interim statement of financial position as follows:

	(Unaudited) 31 March 2026 AED'000	(Audited) 31 December 2025 AED'000	(Unaudited) 31 March 2025 AED'000
Cash and bank balances	336,206	362,830	306,097
Bank deposits with original maturity over 3 months	(104,951)	(25,114)	(66,916)
Cash and cash equivalents	<u>231,255</u>	<u>337,716</u>	<u>239,181</u>

10 Reserves

Statutory reserve

In accordance with the Company's Articles of Association and Article 241 of the Federal Decree Law No. (32) of 2021 (as amended), a minimum of 10% of the Company's annual net profits must be transferred to a non-distributable statutory reserve. As per the Company's Articles of Association, such transfers are required until the balance in the statutory reserve equals 50% of the Company's paid-up share capital. No transfer to statutory reserve has been made during the period as it has already reached 50% of the paid-up share capital (31 December 2025: Nil).

General reserve

Transfers to the general reserve are made on the recommendation of the Board of Directors. This reserve may be used for such purposes as deemed appropriate by the Board of Directors. During the period, there were no transfers from or to the general reserve (31 December 2025: no transfers)

Reinsurance reserve

In accordance with Article 34 of Insurance Authority's Board of Directors Decision No. 23 of 2019, concerning instructions organising reinsurance operations, the reserve is not available for distribution and will not be disposed of without prior approval from the Central Bank of United Arab Emirates.

Notes to the condensed interim financial information
For the period ended 31 March 2026

16 Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value of financial instruments carried at amortised cost

Management considers that the carrying amounts of financial assets and financial liabilities recognised at amortised cost in the condensed interim financial information approximate their fair values except for financial investments measured at fair value through other comprehensive income of which fair value is determined based on the quoted market prices and disclosed in Note 5 of this condensed interim financial information.

Fair value of financial instruments carried at fair value

Valuation techniques and assumptions applied for the purposes of measuring fair value

The fair values of assets are determined using similar valuation techniques and assumptions as used in the audited annual financial statements for the year ended 31 December 2025.

Financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

The following table provides an analysis of financial and non- financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable:

- Level 1 the fair value of financial instruments traded in an active market is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the company is the current bid price. These instruments are included in Level 1.
- Level 2 the fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximizes the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are unobservable, the instrument is included in Level 2.
- Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Some of the Company's financial assets are measured at fair value at the end of the reporting period. The following table gives information about how the fair values of these financial assets are determined:

Financial assets	Fair value as at		Fair value hierarchy	Valuation techniques and key inputs	Significant unobservable input	Relationship of unobservable inputs to fair value
	31 March 2026 (Unaudited) AED'000	31 December 2025 (Audited) AED'000				
Quoted debt securities	38,817	38,843	Level 1	Quoted bid prices in an active market	None	N/A
Quoted equity securities	569,958	595,153	Level 1	Quoted bid prices in an active market	None	N/A

There were no transfers between levels during the period. There are no financial liabilities which should be measured at fair value and accordingly no disclosure is made in the above table.

17 Capital risk management

The solvency regulations identify the required Solvency Margin to be held in addition to insurance liabilities. The Solvency Margin (presented in the table below) must be maintained at all times throughout the period. The Company is subject to solvency regulations which it has complied with during the period. The Company has incorporated in its policies and procedures the necessary tests to ensure continuous and full compliance with such regulations. The table below summarises the Minimum Capital Requirement, Minimum Guarantee Fund and Solvency Capital Requirement of the Company and the total capital held to meet these required Solvency Margins.

	(Unaudited) 31 March 2026 AED'000	(Audited) 31 December 2025 AED'000
Minimum capital requirement (MCR)	100,000	100,000
Solvency capital requirement (SCR)	206,161	197,871
Minimum guarantee fund (MGF)	83,854	78,330
Basic own funds	467,474	441,270
MCR solvency margin – surplus	367,474	341,270
SCR solvency margin – surplus	261,313	243,398
MGF solvency margin – surplus	<u>383,620</u>	<u>362,940</u>

The entity's financial assets include quoted investment at FVTOCI amounting to AED 12.1 million as at 31 March 2026 (31 December 2025: quoted investment amounting to AED 12.3 million) which are in the name of the Chairman held for the beneficial interest of the Company and in accordance with circular number CBUAE/BIS/2023/729 of CBUAE, it is not considered as admissible in the regulatory statement of financial position by the entity.

Based on the Central Bank of UAE regulatory requirements, the minimum regulatory capital required is AED 100 million (31 March 2025: AED 100 million) against which the paid up capital of the Company is AED 115.5 million (31 March 2025: AED 115.5 million).

The Company and its individually regulated operations have complied with all externally imposed capital requirements throughout the period. There have been no changes in the Company's management of capital during the period.

18 Subsequent events

Subsequent to the period, the Board proposed cash dividend of 15% of paid up share capital, amounting to AED 17.33 million (AED 0.15 per share) for the year ended 31 December 2025. This was approved at the Annual General Meeting held on 15 April 2026.
