FINANCIAL INFORMATION**

30 SEPTEMBER 2009 (UNAUDITED)

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO BOARD OF DIRECTORS OF THE PUBLIC WAREHOUSING COMPANY K.S.C.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of The Public Warehousing Company K.S.C. (the “Parent Company”) and Subsidiaries (the “Group”) as at 30 September 2009 and the related interim condensed consolidated statements of income, comprehensive income for the three month and nine month periods then ended and the related interim condensed consolidated statements of cash flows and changes in shareholders’ equity for the nine month period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard IAS 34: Interim Financial Reporting (“IAS 34”). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for qualified conclusion

As further discussed in note 10(e) to the interim condensed consolidated financial information, during the year ended 31 December 2006, a performance guarantee amounting to KD 10.1 million was called by a counterparty in relation to non performance of obligations under a contract operated by a subsidiary of the Group and encashed during the year ended 31 December 2007. The amount was not expensed in the audited consolidated financial statements for the year ended 31 December 2006, which in our opinion, is not in accordance with International Financial Reporting Standards. We qualified our opinion in this regard on the consolidated financial statements for the years ended 31 December 2006, 2007 and 2008. Subsequent to 31 December 2008, the expert department of the Ministry of Justice issued a report on this matter which was in favour of the subsidiary in respect of most of the issues arising from the case. Pending final court ruling on this matter, in our opinion, other current assets should be decreased by KD 10.1 million and retained earnings attributable to the equity holders of the Parent Company should be decreased by KD 6.1 million and non-controlling interests should be decreased by KD 4.0 million.

**REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED
FINANCIAL INFORMATION TO BOARD OF DIRECTORS OF
THE PUBLIC WAREHOUSING COMPANY K.S.C. (continued)**

Qualified conclusion

Except for the effect of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

Emphasis of matter

Without further qualifying our conclusion, we draw attention to the commitments and contingencies explained in note 10 (a), (b) and (c) to the interim condensed consolidated financial information.

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, no violations of the Commercial Companies Law of 1960, as amended, or of the articles of association of the Parent Company have occurred during the nine month period ended 30 September 2009 that might have had a material effect on the business of the Parent Company or on its financial position.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL
INFORMATION (UNAUDITED)

At 30 September 2009

1 INCORPORATION AND ACTIVITIES

The Public Warehousing Company K.S.C. (the "Parent Company") is a Kuwaiti shareholding company, incorporated in 1979.

The address of the Parent Company Head office is Sulaibia, beside Land Customs Clearing Area, P.O. Box 25418, Safat 13115, Kuwait. The Group operates under the trade name of "Agility".

The main objectives of the Parent Company are as follows:

- Construction, management and renting of all types of warehouses.
- Warehousing goods under customs' supervision inside and outside customs areas.
- Investing the surplus funds in investment portfolios.
- Participating in, acquiring or taking over companies of similar activities or those that would facilitate in achieving the Parent Company's objectives inside or outside Kuwait.
- All types of transportation, distribution, handling and customs clearance for goods.
- Customs consulting, customs automation, modernisation and decision support.

The principal activities of the Group are explained in note 13.

The interim condensed consolidated financial information of Public Warehousing Company K.S.C. (the "Parent Company") and its subsidiaries (the "Group") was authorised for issue by the Parent Company's Board of Directors on 10 November 2009.

2 BASIS OF PREPARATION

The interim condensed consolidated financial information has been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting".

The interim condensed consolidated financial information does not contain all information and disclosures as required for full financial statements that are prepared in accordance with International Financial Reporting Standards. In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included. Operating results for the nine months ended 30 September 2009 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2009. For more details please refer to the consolidated financial statements for the year ended 31 December 2008.

The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2008, except as mentioned below:

During the period, the Group has adopted the following standards effective for the annual periods beginning on or after 1 January 2009:

IAS 1 'Presentation of Financial Statements' (Revised):

The revised standard separates owner and non owner changes in equity. The statement of changes in equity includes only details of transactions with owners, with non owner changes in equity presented as a single line. In addition, the standard introduces the statement of comprehensive income: it presents all items of recognised income and expense, either in one single statement, or in two linked statements. The Group has elected to present two statements.

IFRS 8 'Operating segments':

The new standard which replaced IAS 14 'Segment reporting' requires a 'management approach' under which segment information is presented on the same basis as that used for internal reporting purposes. Adoption of this Standard did not have any effect on the financial position or performance of the Group. The Group determined that the operating segments were the same as the business segments previously identified. Additional disclosures about each of these segments are shown in Note 13, including revised comparative information.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL
INFORMATION (UNAUDITED)

At 30 September 2009

3 INVESTMENT PROPERTIES

Included in investment properties is a property with a carrying value of KD 8,596 thousand, including revaluation gains of KD 665 thousand recorded in prior periods, that is subject to ongoing litigation arising from a claim filed by the Parent Company and counter claims against the Parent Company with respect to certain lease contracts, which were cancelled by the counterparty during the year ended 31 December 2006 (Note 10(c)).

Lease periods range from five to twenty years and are renewable. All investment properties are located in Kuwait.

4 AVAILABLE FOR SALE INVESTMENTS

Available for sale investments amounting to KD 14,086 thousand (31 December 2008: KD 13,635 thousand and 30 September 2008: KD 13,186 thousand) are located in Kuwait. The balance of KD 104,195 thousand (31 December 2008: KD 100,085 thousand and 30 September 2008: KD 98,562 thousand) are located outside Kuwait.

For available for sale investments, the Group assesses at each statement of financial position date whether there is objective evidence that an investment or group of investments is impaired. In the case of equity investments classified as available for sale, objective evidence would include a significant or prolonged decline in the fair value of the investment below its cost. The determination of what is "significant" or "prolonged" requires judgment.

Based on these criteria, the Group has not identified any impairment losses to be recorded in the interim condensed consolidated statement of income.

Legal claims

(a) Subsistence Prime Vendor Contract – US investigation

During the year ended 31 December 2007, the Parent Company was served with an administrative subpoena and, subsequently in March 2008 with a grand jury subpoena, by the US Government in connection with an investigation into certain aspects of the Subsistence Prime Vendor Contract ("SPV"). In addition, some employees of the Group were served with civil investigative demands. The Parent Company is cooperating with this investigation and has produced numerous records in response to this request.

As at 30 September 2009, the US Government has not made any claims or brought any charges against the Parent Company. The Parent Company (after consulting the external legal counsel) is not able to comment on the likely outcome of the investigation and, as no formal allegations have yet been made, the management has concluded that no provision is considered necessary in the accompanying interim condensed consolidated financial information.

(b) Freight forwarding business - investigation

In October 2007, certain subsidiaries (involved in the freight forwarding business) in the Group along with other major players in the freight forwarding industry received requests for information from the competition authorities of the EU, the United States, and other jurisdictions in connection with an industry-wide investigation into the setting of surcharges and fees. These subsidiaries are fully cooperating with the respective authorities.

As at 30 September 2009, the Group's management (after consulting the external legal counsel) is not able to comment on the likely outcome of the investigations and as no formal allegations have yet been made against these subsidiaries, the management has concluded that no provision is considered necessary in the accompanying interim condensed consolidated financial information.

(c) Lease agreements

On 27 November 2006, and based on the recommendation by the Ministers' Council, the Minister of Commerce & Industry issued the Resolution No. 30/2006 to terminate three contracts of those concluded between the Parent Company and the Public Authority of Industry for Mina Abdulla Zone, Kuwait. The Ministry of Trade and Industry filed an appeal against this ruling in Supreme court which is yet to give its decision.

The Parent Company protested against this order through case No. 940/2006 "Administrative". In the Hearing held on 25 December 2006, the court pronounced its ruling to repeal the aforesaid Resolution of the Minister of Commerce & Industry and its resultant impacts. The Ministry of Trade and Industry filed an appeal against this ruling in Supreme Court, which is yet to give its decision.

However, the Government requested the Board of Public Authority of Industry to hold a meeting chaired by the Minister of Commerce & Industry, who issued a new resolution No. 1/2007 to terminate the same contract being the subject of the previous Resolution.

The Parent Company again protested against the new resolution through case No. 36/2007 and assured, in its statement of defence, which is in agreement with the provisions of the law, as confirmed by the Supreme Court including the Kuwait Court of Cessation, that the new Resolution is void, because it has been made on the same subject of the previous resolution. In the opinion of external legal counsel, the court shall pronounce its judgment to revoke the new Resolution issued by the Public Authority of Industry, because it has been based on wrong objects. The Resolutions issued by the governmental authorities are merely of financial concerns that shall be resolved by the courts to establish the Parent Company's rights in such contracts.

10 COMMITMENTS AND CONTINGENCIES (continued)

The Parent Company is in the process of performing an assessment of the final losses arising from the aforementioned Resolutions, so that a claim can be filed with the Government of Kuwait for recovery of these amounts.

The Parent Company has not recognised any revenue on the aforementioned contracts for the nine months ended 30 September 2009.

On 9 January 2007 the Ministry of Finance terminated the Al-Jahra Fish, Meat and Vegetables Market Project Contract with the Parent Company following the Resolution issued by the Council of Ministers No. 2/2007. The Parent Company appealed against this resolution through Case No. 200/2007 Administrative -3. The Court of First Instance cancelled the resolution No. 2/2007 issued by the Ministry of Finance.

In January 2008, the Court of Appeal ruled in favour of the Parent Company whereby Al-Jahra Fish, Meat and Vegetables Market Project Contract is to be given back to the Parent Company. The Court of Appeal also ruled out that the Parent Company be compensated for losses and expenses that arose as a result of this case. The Ministry of Finance filed an appeal against this ruling in the Supreme Court, which is yet to give its decision. In the opinion of the legal counsel, the Supreme Court will pronounce the decision in favor of the parent company and accordingly the parent company has resumed recognition of rent in respect of the above contract.

(d) Prime Vendor Services Contract – legal dispute

A dispute had arisen between the Parent Company and Kamal Mustaffa Al-Sultan Company (the “third party”) with respect to a partnership agreement dated 30 July 2002 for the purpose of bidding for the provision of services to the U.S. Government (the Prime Vendor Services Contract). The partnership agreement provided for the preparation of all infrastructure and assets required for that purpose. The Parent Company had submitted all evidences to the Execution Department in proof of the partnership not having any funds, assets or properties and the eventual non-existence of the partnership, as a consequence of the partners not providing any capital contributions to the partnership.

On 7 January 2008, the Supreme Court of Kuwait ruled in favour of the Parent Company confirming that the partnership agreement between the Parent Company and the third party was not legally enforceable and is void.

(e) Guarantee encashment

A Resolution has been issued by the General Administration of Customs for Kuwait (“GAC”) to cash a portion, amounting to KD 10,092 thousand of the bank guarantee submitted by Global Clearing House Systems K.S.C. (Closed) (the “Company”), a subsidiary of the Parent Company, in favour of GAC against execution. This Resolution is being appealed through case No. 224/2007 “Administrative - 7”.

In the opinion of the Parent Company’s external legal consulting firms the violations against which a portion of the bank guarantee provided has been encashed, are non-contractual violations, and in accordance with the law, believe that a verdict shall be issued in favour of the Company to return the encashed portion of the guarantee plus interest of 7%. The Company, during the current period, obtained a report from the expert department of Ministry of Justice on this matter which was in favour of the Company in respect of most of the issues arising from the case. The management is of the opinion that this matter is incidental and will be resolved in the courts during 2009 and, accordingly, no expense should be recorded in the accompanying interim condensed consolidated financial information.

In addition to the above, the Group is involved in various claims and legal proceedings including employee compensation and contractor disputes. The in-house legal counsel of the Group believes that such claims are baseless and will not have a material adverse effect on the accompanying interim condensed consolidated financial information.
