**INTERIM CONDENSED CONSOLIDATED
FINANCIAL INFORMATION**

PERIOD ENDED 31 MARCH 2012 (UNAUDITED)

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Agility Public Warehousing Company K.S.C. (the "Parent Company") and its subsidiaries (collectively the "Group") as at 31 March 2012 and the related interim condensed consolidated statements of income, comprehensive income, cash flows and changes in equity for the three month period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard IAS 34: Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

As further discussed in Note 11(c) to the interim condensed consolidated financial information, during the year ended 31 December 2006, a performance guarantee amounting to KD 10.1 million was called by a counterparty in relation to non performance of obligations under a contract operated by a subsidiary of the Parent Company and encashed during the year ended 31 December 2007. The amount was not expensed in the consolidated financial statements in respect of the year ended 31 December 2006, which in our opinion, is not in accordance with International Financial Reporting Standards. We have qualified our audit opinions and review conclusions in this regard on the consolidated financial statements since 31 December 2006. In 2009, the expert department of the Ministry of Justice issued a report on this matter which stated that the verdict should be issued in favour of the subsidiary in respect of most of the issues arising from the case. Pending final court ruling on this matter, in our opinion, other current assets should be decreased by KD 10.1 million and retained earnings attributable to the equity holders of the Parent Company should be decreased by KD 6.1 million and non-controlling interests should be decreased by KD 4.0 million.

Qualified Conclusion

Based on our review, except for the effect of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C. (continued)

Emphasis of Matter

We draw attention to:

- (i) Note 2 to the interim condensed consolidated financial information which describes that the Parent Company was indicted by a federal grand jury in the United States of America ("US") on multiple counts of False Claims Act Violations. Furthermore, the United States Department of Justice also joined a civil qui tam lawsuit against the Parent Company under the False Claims Act. The indictment also includes a subsidiary of the Parent Company which was included in the indictment by the United States Department of Justice. The Department of Justice is claiming substantial damages for alleged violations in both the criminal and civil proceedings. The Group Companies (including the Parent Company) are suspended from bidding for new contracts with the US Government pending the outcome of the cases. The Group is also engaged in settlement discussions with the US Department of Justice. The ultimate outcome of these matters cannot presently be determined, and therefore no provision has been made in the interim condensed consolidated financial information; and
- (ii) Notes 11(a) and 11(b) to the interim condensed consolidated financial information which describe the contingencies relating to the investigation into the freight forwarding business and termination of lease agreements.

Our conclusion is not further qualified in respect of the matters set out above.

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Commercial Companies Law of 1960, as amended, or of the articles of association of the Parent Company during the period ended 31 March 2012 that might have had a material effect on the business of the Parent Company or on its financial position.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION

As at 31 March 2012 (Unaudited)

1 CORPORATE INFORMATION

Agility Public Warehousing Company K.S.C. (the "Parent Company") is a Kuwaiti shareholding company incorporated in 1979, and listed on Kuwait Stock Exchange and Dubai Stock Exchange. The address of the Parent Company's Head office is Sulaibia, beside Land Customs Clearing Area, P.O. Box 25418, Safat 13115, Kuwait. The Group operates under the brand name of "Agility".

The main objectives of the Parent Company are as follows:

- Construction, management and renting of all types of warehouses.
- Warehousing goods under customs' supervision inside and outside customs areas.
- Investing the surplus funds in investment portfolios.
- Participating in, acquiring or taking over companies of similar activities or those that would facilitate in achieving the Parent Company's objectives inside or outside Kuwait.
- All types of transportation, distribution, handling and customs clearance for goods.
- Customs consulting, customs automation, modernisation and decision support.

The interim condensed consolidated financial information was authorised for issue by the Parent Company's Board of Directors on 15 May 2012.

The annual general assembly of the shareholders of the Parent Company for the year ended 31 December 2011 has not been held until the date of preparation of these interim condensed consolidated financial information. Accordingly, the consolidated financial statements for the year ended 31 December 2011 have not yet been approved by the shareholders. The interim condensed consolidated financial information for the period ended 31 March 2012 does not include any adjustments, which might have been required, had the annual general assembly of the shareholders of the Parent Company approved the consolidated financial statements for the year ended 31 December 2011.

2 SUBSISTENCE PRIME VENDOR AND OTHER CONTRACTS - US INVESTIGATION

During the year ended 31 December 2007, the Parent Company was served with an administrative subpoena and, subsequently in March 2008 with a grand jury subpoena, by the US Government in connection with an investigation into certain aspects of the Subsistence Prime Vendor ("SPV") Contract. In addition, some employees of the Group were served with civil investigative demands. The Parent Company cooperated with this investigation and produced numerous records in response to this request.

In November 2009, the Parent Company was indicted by a federal grand jury in United States on multiple counts of False Claims Act violations. Furthermore, The United States Department of Justice also joined the civil qui tam lawsuit against the Parent Company under the US False Claims Act. The Department of Justice is claiming substantial damages for alleged violations in both the criminal and civil proceedings. The Parent Company pled not guilty to the indictment. In October 2011, a status conference was held before the judge of the District Court for the Northern District of Georgia where the parties appraised in the court on the status of the case and discovery. In February 2012, the Parent Company filed various motions, including motions to dismiss the indictment on various grounds and a motion to transfer venue to another judicial district.

As a result of this indictment, the Group companies (including the Parent Company) are suspended from bidding for new contracts with the US Government pending the outcome of the cases. However, the suspension did not affect continued performance of the existing contracts. The SPV Contract expired in December 2010.

While the Parent Company is rigorously defending its case, it is pursuing discussions with the US Government with a view to reaching a fair and reasonable settlement of the current legal cases with the US Department of Justice. However, there is no guarantee that the parties can reach a mutually agreeable settlement.

In addition, the US Department of Justice is currently conducting an informal investigation regarding two cost reimbursable US Government contracts in order to ascertain whether reimbursement requests for certain costs incurred by the Parent Company were proper. Furthermore, in relation to one of such contracts, the Parent Company is appealing before the "Armed Services Board of Contract, Appeals (ASBCA)" a decision made by the contracting officer demanding repayment of approximately KD 23 million from the Parent Company. During 2011, the US Government collected KD 4.7 Million out of the above claim by offsetting payments due on the Group's other US Government contracts. The Parent Company, on 19 April 2011, also filed an affirmative claim for approximately KD 13 million owed by the US Government under the contract which was denied by the Contracting Officer on 15 December 2011.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL
INFORMATION

**2 SUBSISTENCE PRIME VENDOR AND OTHER CONTRACTS - US INVESTIGATION
(continued)**

The Parent Company filed an appeal before the ASBCA and decision on this appeal is currently pending. Due to inherent uncertainty surrounding these cases, no provision is recorded by the management in the interim condensed consolidated financial information. The Parent Company (after consulting the external legal counsel) is not able to comment on the likely outcome of the cases.

3 SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The interim condensed consolidated financial information has been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting".

The interim condensed consolidated financial information does not contain all information and disclosures as required for full consolidated financial statements that are prepared in accordance with International Financial Reporting Standards ("IFRS"). In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included. Operating results for the three month period ended 31 March 2012 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2012. For more details please refer to the consolidated financial statements for the year ended 31 December 2011.

The interim condensed consolidated financial information is presented in Kuwaiti Dinars ("KD") and all values are rounded to the nearest KD thousand except when otherwise indicated.

Changes in accounting policy and disclosures

The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2011, except for the adoption of the following amended International Accounting Standards Board ("IASB") Standards during the period:

IAS 12: Income Taxes – Recovery of Underlying Assets (Amendment) (effective 1 January 2012)

The amendment clarified the determination of deferred tax on investment property measured at fair value. The amendment introduces a rebuttable presumption that deferred tax on investment property measured using the fair value model in IAS 40: Investment Property should be determined on the basis that its carrying amount will be recovered through sale. Furthermore, it introduces the requirement that deferred tax on non-depreciable assets that are measured using the revaluation model in IAS 16: Property, Plant and Equipment always be measured on a sale basis of the asset.

IFRS 3: Business Combinations (Amendment) (effective 1 July 2011)

The measurement options available for non-controlling interest have been amended. Only components of non-controlling interest that constitute a present ownership interest that entitles their holder to a proportionate share of the entity's net assets in the event of liquidation shall be measured at either fair value or at the present ownership instruments' proportionate share of the acquiree's identifiable net assets. All other components are to be measured at their acquisition date fair value.

IFRS 7: Financial Instruments: Disclosures — Enhanced Derecognition Disclosure Requirements (Amendment) (effective 1 July 2011)

The amendment requires additional disclosure about financial assets that have been transferred but not derecognised to enable the user of the Group's financial statements to understand the relationship with those assets that have not been derecognised and their associated liabilities. In addition, the amendment requires disclosures about continuing involvement in derecognised assets to enable the user to evaluate the nature of, and risks associated with, the entity's continuing involvement in those derecognised assets.

The adoption of the above mentioned amendments did not have any material impact on the financial position or performance of the Group.

The Group has not early adopted any IASB standards, International Financial Reporting Interpretations Committee ("IFRIC") interpretations or amendments that have been issued but not yet effective.

As at 31 March 2012 (Unaudited)

4 INVESTMENT PROPERTIES

Investment properties are stated at fair value, which has been determined based on valuations performed by accredited independent appraisers, at the end of each financial year. The discounted future cash flow method or property market value method were used considering the nature and usage of the property.

Lease periods range from five to twenty years and are renewable. All investment properties are located in Kuwait.

Included in investment properties is a property with a carrying value of KD 8,823 thousand (including revaluation gains of KD 665 thousand recorded in previous periods). This property is subject to ongoing litigation arising from a claim filed by and against the Parent Company with respect to certain lease contracts, which have been cancelled by the counterparty during the year ended 31 December 2006 [Note 11 (b)].

During the year ended 31 December 2011, the Group (through its wholly owned subsidiary, a Venture Capital Organisation) jointly with France Telecom acquired 44% equity interest in Korek Telecom L.L.C. ("Korek Telecom"), a limited liability company incorporated in Iraq, via a joint company owned 54% by the Group and 46% by France Telecom. As a result, the Group owns 23.7% indirect interest in Korek Telecom. The Group contributed US\$ 286 million by converting its convertible debt and a portion of accrued interest on this convertible debt in Korek Telecom to equity.

The investment in Korek Telecom has been classified as an investment in an associate as the Group exercises significant influence over financial and operating policies of Korek Telecom. As this associate is held as part of Venture Capital Organization's investment portfolio, it is carried in the consolidated statement of financial position at fair value. This treatment is permitted by IAS 28 "Investment in Associates" which requires investments held by Venture Capital Organisations to be excluded from its scope where those investments are designated, upon initial recognition, at fair value through profit and loss and accounted for in accordance with IAS 39, with changes in fair value recognised in the interim condensed consolidated statement of income in the period of change.

As at 31 March 2012, interest bearing shareholders' loan provided by the Group to Korek Telecom amounts to KD 27,733 thousand (31 December 2011: KD 27,837 thousand and 31 March 2011: KD Nil) (Note 13).

Legal claims

(a) Freight forwarding business - investigation

In October 2007, certain subsidiaries (involved in the freight forwarding business) in the Group along with other major players in the freight forwarding industry received requests for information from the competition authorities of the EU, the United States and other jurisdictions in connection with an industry-wide investigation into the setting of surcharges and fees. These subsidiaries are fully cooperating with the respective authorities.

In July 2009, a subsidiary was named as a defendant in a class action lawsuit filed in the Eastern District of New York, along with a number of other freight forwarding companies, regarding surcharges and fees for services. In November 2009, the defendants filed motions to dismiss the claims that are currently pending before the court. The ultimate outcome of this litigation is uncertain at this time.

On 26 November 2009 the Italian Competition Authority (ICA) opened an investigation into the activities of some 20 freight forwarding companies including Agility's subsidiary in Italy. The ICA issued its final decision on 15 June 2011, imposing a total fine of KD 55 thousand (Euro 139 thousand) on Agility. This decision is being appealed by other third parties before the court which is yet to pronounce its decision.

In February 2010, the European Commission issued a Statement of Objections ("SO") to the Parent Company and two of its subsidiaries. The SO alleged that certain infringements of EU competition law were committed by the subsidiaries. On 28 March 2012, the European Commission issued its final decision imposing a fine of KD 828 thousand (EUR 2,296 thousand) on Agility's UK subsidiary and a fine of KD 960 thousand (EUR 2,662 thousand) on Agility's Hong Kong subsidiary.

The Swiss Competition Authority's investigation into freight forwarding activities on certain Agility's subsidiaries commenced in July 2008. On 29 March 2012, Agility signed a settlement agreement in respect of some charges involving air freight forwarding. However, this settlement agreement is subject to the formal approval of the Swiss Competition Authority and the final decision over the level of the fine to be imposed upon these subsidiaries has not yet been taken by the Swiss Competition Authority.

In December 2011, the Competition Commission Singapore (CCS) opened an investigation in to the activities of the freight forwarding industry which included two of Agility's subsidiaries. No formal charges have been brought against the subsidiary at this time.

As at 31 March 2012, due to inherent uncertainty surrounding these investigations, the Group's management (after consulting the external legal counsel) is not able to comment on the likely outcome of the investigations and in view of the difficulty in quantifying any additional potential liabilities in this regard, no provision is recorded in the accompanying consolidated financial statements.

(b) Lease agreements

On 27 November 2006, based on the recommendation by the Ministers' Council, the Minister of Commerce & Industry issued the Resolution No. 30/2006 to terminate three contracts between the Parent Company and the Public Authority of Industry (PAI) for leasing of land in Mina Abdulla Zone, Kuwait.

The Parent Company protested against this order through case No. 940/2006 "Administrative". In the Hearing held on 25 December 2006, the Court of first instance pronounced its ruling to repeal the aforesaid Resolution of the Minister of Commerce & Industry and its resultant impacts, which was also subsequently confirmed by the Court of appeal. The Ministry filed an appeal at the Supreme Court on which the Supreme Court issued a ruling on 4 May 2010, rejecting the Ministry's appeal and confirming the previous ruling in favour of the Parent Company.

However, the Government of Kuwait requested the Board of PAI to hold a meeting chaired by the Minister of Commerce & Industry, which issued another resolution No. 1/2007 to terminate the same contracts which were the subject of the previous resolution. The Parent Company again protested against the above resolution through case No. 36/2007 at the Court of First Instance which ruled in favour of the parent company cancelling the aforesaid resolution of the PAI.

(b) Lease agreements (continued)

The PAI appealed against the above ruling at the Court of Appeal which pronounced its judgement in its favour on 20 February 2012 cancelling the ruling of Court of First Instance and confirming the termination of the three contracts. The Parent Company is currently appealing the above judgement in the Supreme Court.

The Parent Company suspended recognising revenue on the aforementioned contracts since the inception of the case.

On 9 January 2007 the Ministry of Finance terminated the Al-Jahra Fish, Meat and Vegetables Market Project Contract with the Parent Company following the Resolution issued by the Council of Ministers No. 2/2007. The Parent Company appealed against this resolution through Case No. 200/2007 Administrative -3. The Court of First Instance cancelled the resolution No. 2/2007 issued by the Ministry of Finance.

In January 2008, the Court of Appeal ruled in favour of the Parent Company whereby Al-Jahra Fish, Meat and Vegetables Market Contract is to be given back to the Parent Company. As a result of the ruling the Parent Company resumed operations in the contract. The Court of Appeal also ruled out that the Parent Company be compensated for losses and expenses that arose as a result of this case.

The Ministry of Finance filed an appeal at the Supreme Court which issued its ruling on 4 April 2012 in favour of the Parent Company.

(c) Guarantee encashment

A Resolution was issued by the General Administration of Customs for Kuwait ("GAC") to cash a portion, amounting to KD 10,092 thousand of the bank guarantee submitted by Global Clearing House Systems K.S.C. (Closed) (the "Company"), a subsidiary of the Parent Company, in favour of GAC. Pursuant to this resolution, GAC called the above guarantee during the year ended 31 December 2007. This Resolution is being appealed through case No. 224/2007 "Administrative - 7".

The Parent company (after consulting the external counsel) is of the opinion that the purported violations against which a portion of the bank guarantee provided was encashed, are not in accordance with the contract, and a verdict shall be issued in favour of the Company to return the encashed portion of the guarantee plus interest of 7%. In 2009, the Company obtained a report from the expert department of Ministry of Justice on this matter which was in favour of the Company in respect of most of the issues arising from the case. Accordingly, no expense is recorded in the statement of income.

In addition to the above, the Group is involved in various incidental claims and legal proceedings. The in-house legal counsel of the Group believes that these matters will not have a material adverse effect on the accompanying interim condensed consolidated financial information.

12 PROPOSED DIVIDEND

On 29 March 2012, the Board of Directors of the Parent Company recommended a cash dividend of 30 fils per share in respect of the year ended 31 December 2011. This proposal is subject to approval by the shareholders at the annual general assembly of the Parent Company.
