Ajman
United Arab Emirates

Introduction

We have reviewed the accompanying condensed consolidated balance sheet of **Arab Heavy Industries P.J.S.C. and Subsidiary, Ajman, United Arab Emirates** as of September 30, 2007 and the related condensed consolidated statements of income, changes in equity and cash flows for the nine month period then ended and explanatory notes. Management is responsible for the preparation and presentation of this consolidated interim financial information in accordance with International Accounting Standard 34: Interim Financial Reporting. Our responsibility is to express a conclusion on this consolidated interim financial information based on our review. The comparative figures in the condensed consolidated balance sheet as of December 31, 2006 and related explanatory notes were audited by another auditor whose report dated January 25, 2007 expressed an unqualified opinion thereon. The prior period comparative figures in the condensed consolidated statements of income, changes in equity and cash flows and related explanatory notes for the nine month period ended September 30, 2006 were reviewed by another auditor who issued an unqualified report dated November 11, 2006.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information performed by the Independent Auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34: Interim Financial Reporting.
