Introduction

We have reviewed the accompanying condensed statement of financial position of **Arabian Scandinavian Insurance Company P.L.C., Dubai, United Arab Emirates**, as of June 30, 2009 and the related condensed statements of income, comprehensive income, changes in equity and cash flows for the six month period then ended and explanatory notes. Management is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34: Interim Financial Reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit.
