Review Report on the interim condensed consolidated financial information

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Hits Telecom Holding CO. K.S.C (Holding) - (the parent company) and its subsidiaries (together referred to as the group) as of March 31, 2012 and the related interim condensed consolidated statements of income, comprehensive income, cash flows and changes in equity for the three months period then ended. Management of the parent company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard No (34) "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditors of the company".

A review of interim condensed consolidated financial information consists of making inquires, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respect in accordance with International Accounting Standard No. (34) "Interim Financial Reporting".

Report on review of other legal and regulatory matters

Furthermore, based on our review, the interim condensed consolidated financial information are in agreement with the books of the parent company. Also, to the best of our knowledge and belief, no violations of the Commercial Companies Law of 1960, as amended, nor of the Articles of Association of the parent company have occurred during the three months ended March 31, 2012 that might have had a material effect on the business of the parent company or on its consolidated financial position.

Emphasis of matters

We draw our attention to note (2) to the interim condensed consolidated financial information in respects of the structuring plan of some subsidiaries

The Board of Directors approved these interim condensed consolidated financial statements for the three months ended March 31, 2012 for issue on May 15, 2012.

2- Restructuring plan of some subsidiaries

The interim condensed financial information prepared by the management of some subsidiaries based on going concern despite that the accumulated losses of these companies exceed their share capital, based on the financial support of parent company and Group's plans of re-structuring these companies to extinguish the accumulated losses of the subsidiaries and improve their performance and profitability in future.

3- Judgments and estimates

The preparation of interim condensed financial information requires management to make judgments, estimates and assumptions that may affect the application of accounting policies and the reported amounts of assets and liabilities, incomes and expenses. Actual results my differ from these estimates.

In preparing this interim condensed financial information, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements for the year ended December 31, 2011.

4- Basis of presentation

The interim condensed consolidated financial information has been prepared in compliance with the International Accounting Standard No. 34 "Interim Financial Reporting". The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent, with those used in the preparation of the consolidated financial statements for the year ended December 31, 2011

The interim condensed consolidated financial information does not contain all information and disclosures required for full consolidated financial statements prepared in accordance with International Financial Reporting Standard. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for fair presentation have been included. In addition results for the three months period ending March 31, 2012 are not necessarily indicative of the results that may be expected for the year ending December 31, 2012. For further information, refer to the group's audited condensed financial statements for the year ended December 31, 2011.

5- Subsidiaries

The interim condensed consolidated financial information includes the interim condensed financial information of the parent company and its subsidiaries as following:

		Shareholding %	
	Country of incorporation	March 31, 2012	December 31, 2011
Qanawat Telecom Company (W.L.L)	Saudi Arabia	%100	%100

Hits Telecom Spain Company (S.A.)	Spain	%100	%100
Hits Africa Company (L.T.D)	Cayman Islands	%92.82	%92.82

The interim condensed financial information for all subsidiaries has been consolidated based on the financial statements prepared by the management for the three months period ended March 31, 2012. Total assets of these subsidiaries included in the interim consolidated financial statements position are KD 55,235,328 and their net profit included in the interim consolidated statement of income are KD 138,784 .

6- Intangible assets

- The company has entered into sale and purchase agreements with the shareholders of certain companies who originally were awarded the license to establish, install and operate cellular public telephony network in their respective countries of operations amounted to KD 19,408,541 In accordance with IFRS 3, "Business Combinations" the above acquisitions have been accounted for by applying the purchase method. As these companies which own these licenses, had yet to commence operations and had no other assets at the time of the acquisition by the company, the purchase consideration and acquisition cost paid to acquire these companies is treated as goodwill. The goodwill is attributable to the growth prospects of the acquired businesses and the significant synergies that are expected to arise for the Group after the acquisition of subsidiaries.

- This item represents goodwill amounted to KD 33,747,166 resulted from acquisition of a subsidiary - Hits Africa Company (Limited) located in Cayman Islands, and goodwill amounted to KD 14,015,057 resulted from acquisition of the subsidiary company - (Qanawat Telecoms Company (W.L.L) located in (Kingdom of Saudi Arabia). and goodwill amounted to KD 5,067,662 resulted from acquisition of the subsidiary company - (Atlantic Wireless Company – Liberia) as a subsidiary for Hits Africa –Limited and goodwill amounted to KD 693,330 resulted from Hits Telecom Spain (S.A).
- The management tests impairment of goodwill annually if there are any indications that impairment may have arisen. The recoverable amount of Cash Generating Unit "CGU" is determined based on its value-in-use calculations. The key assumptions for the value-in-use calculations are those regarding discount rates and the long term growth rates. The discount rate is based on the weighted average cost of capital, while growth rates are based on management's experience and expectations and do not exceed the long term average growth rate for the region in which the "CGU" operates. These calculations use cash flow projections based on financial budgets approved by the Board of Directors, covering the period of the validity of the telecom license. Cash flows are extrapolated using the estimated growth rates. The weighted average growth rates are consistent with forecasts, and the parent company's management believes that there are no indications for impairment in value of goodwill depending on a study prepared by external party in the end of previously financial statements.
