REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL INFORMATION

The Board of Directors
National Real Estate Company K.S.C.
State of Kuwait

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of National Real Estate Company K.S.C. (the Parent Company) and its subsidiaries (the Group) as of June 30, 2009 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the six-month period then ended. Management is responsible for the preparation and presentation of this interim consolidated financial information in accordance with International Accounting Standard 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34.

Emphasis of matter

Without qualifying our conclusion we would like to draw attention to notes (6), (15) and (17) to the interim consolidated financial information.

Report on other Legal and Regulatory Requirements

Furthermore, the interim consolidated financial information is in agreement with the Parent Company's books of account and to the best of our knowledge and belief, there were no contraventions during the period ended June 30, 2009 of either the Commercial Companies Law or the Parent Company's Articles of Association, which might have materially affected the Group's financial position or results of its operations, except that the Parent Company holds certain direct investments in shares in violation of its objectives.

(i) Public Warehousing Company K.S.C. (Agility) is a public shareholding company registered in Kuwait and listed on the Kuwait Stock Exchange and Dubai Financial Market. Its principal activities are storing goods, management and renting of warehouses, all transportation activities, distribution, handling and customs clearance for goods.

The fair value of the Group's investment in Public Warehousing Company K.S.C. (Agility) as of June 30, 2009 is KD 249,046,226 (December 31, 2008 – KD 145,668,547, June 30, 2008 – KD 253,158,685).

a) During 2006, the Parent Company made a provision amounting to KD 1,226,082 for its share of interest of a bank performance guarantee that has been encashed in favor of General Administration of Customs for Kuwait in relation to non-performance of obligations under a contract operated by a subsidiary of the associate.

The subsidiary of the associate appealed against that encashment through case No. 224/2007 "Administrative – 7". In the opinion of the external legal consulting firms, the violations against which a portion of the bank guarantee provided has been encashed, are non-contractual violations and believe the verdict shall be issued in favor of the subsidiary to return the encashed portion of the guarantee plus interest. Accordingly, no provision has been made in the associate's books as of the interim condensed consolidated statement of financial position date.

The Parent Company has provided for its share of the encashed portion of the bank guarantee on a conservatism approach and not as surrender to the validity of the encashment.

b) The change in associate's equity is as follows:

	June 30, 2009	December 31, 2008 (Audited)	June 30, 2008
(Loss) gain on sale of treasury shares	**(64,638)**	(506,776)	159,358

	4,337,700	(15,564,948)	(11,358,912)

The associate's contingent liabilities are as follows:

a. A dispute has arisen between the associate and a third party with respect to a partnership agreement dated July 30, 2002 for the purpose of bidding for the provision of services for Prime Vendor Services Contract with the U.S. Government. The partnership agreement provided for the preparation of all infrastructure and assets for that purpose. The associate had submitted all evidences to the Execution Department in proof of the partnership not having any funds, assets or properties and the eventual non-existence of the partnership, as a consequence of the partners not providing any capital contributions to the partnership.

On January 7, 2008, the Supreme Court of Kuwait ruled in favor of the associate confirming that the partnership agreement between the associate and the third party was not legally enforceable and is void.

b. On November 27, 2006, and based on the recommendation by the Ministers' Council, the Ministry of Commerce & Industry issued the Resolution No. 30/2006 to terminate three contracts of those concluded between the associate and the Public Authority of Industry for Mina Abdulla Zone, Kuwait.

The associate protested against this order through the Case No. 940/2006 "Administrative". In the hearing held on December 25, 2006, the Court pronounced its ruling to repeal the aforesaid resolution of the Ministry of Commerce & Industry and its resultant impacts.

However, the Government requested the Board of Public Authority of Industry to hold a meeting chaired by the Minister of Commerce & Industry, who issued a new resolution No. 1/2007 to terminate the same contract, being the subject of the previous resolution.

The associate, again, appealed against the new resolution through the Case No. 36/2007 and assured, in its statement of defense, which is in agreement with the clauses of the law, as confirmed by the Supreme Court including the Kuwait Court of Cassation, that the new resolution is void, because it has been made on the same subject of the previous resolution. From legal perspective the Court shall issue its judgment to revoke the new resolution issued by the Public Authority of Industry, because it has been based on a wrong basis.

The associate is in the process of performing an assessment of the final losses arising from the aforementioned resolutions, so that a claim can be filed with the Government of Kuwait for recovery of these amounts. The associate has not recognized any revenue on the three aforesaid contracts since January 1, 2007.

Whereas the resolutions issued by the governmental authorities are not expected, from a legal perspective, to remain effective, no provision should be made in the books of the associate, as the outcomes of the legal cases issued by the courts in this respect are in favour of the associate.

c. On January 9, 2007 the Ministry of Finance terminated Al-Jahra Fish, Meat and Vegetables Market Project Contract with the associate according to the resolution of the Council of Ministers No. 2/2007. The associate appealed to the Court of First Instance against this resolution through Case No. 200/2007 "Administrative - 3". In January 2008, the Court of Appeal ruled in favor of the associate whereby Al-Jahra Fish, Meat and Vegetables Market Project Contract are to be given back to the associate. The Court of Appeal also ruled out that the associate be compensated for losses and expenses that arose as a result of this case where the Ministry of Finance appealed to the court of appeal's verdict in the court of cessation at which legal proceedings are still in progress.

d. In addition to the above, the associate is involved in various claims and legal proceedings including employee compensation and contractors disputes. The external legal counsel of the associate believes that such claims are not valid and will not have a material adverse effect on the interim consolidated financial information of the associate as of June 30, 2009.

(ii) The Group has not accounted for its share of results in Kuwait Bulgarian Dairy Company W.L.L. due to non availability of financial information.

(iii) The Group's share in the contingent liabilities and capital commitments of the associate amounted to KD 26,897,876 (December 31, 2008 – KD 37,954,092, June 30, 2008 – KD 17,194,118).

(a) According to clause number 11 in Kuwait Free Trade Zone management contract, if National Real Estate Company K.S.C. (the managing company) makes any rehabilitation for the properties according to the plan implemented by the Ministry of Commerce and Industry, then the managing company has the right to recover all the expenses it incurred for the rehabilitation work for those properties before accounting for the assigned share of Kuwait Ports Authority. These costs need to be approved by the Ministry of Commerce and Industry. In accordance with this clause and the letter from the Ministry of Commerce and Industry dated November 25, 1998, at which the Ministry approved the costs that amounted to KD 6,449,034; the managing company had charged the amounts incurred in the renovation and overhauling of some properties of Kuwait Ports Authority to its account, including borrowing costs that can be capitalized amounting to KD 73,122 and the interest for the bank loans amounting to KD 100,393 that can be capitalized for the period from the date of commencement of activities till December 31, 1999.

The actual rehabilitation costs incurred by the managing company for Kuwait Ports Authority properties amounted to KD 6,417,653. The Consulting Committee of the Free Zones had approved the rehabilitation costs of KD 5,033,000 during its meeting on January 23, 2002, for the period from May 30, 1998 till October 31, 2000.

(b) The managing company also computes interest on the monthly outstanding balance due from Kuwait Ports Authority at 10% per annum. Interest income recorded in the interim condensed consolidated statement of income for the period ended June 30, 2009 amounted to KD 687,528 (December 31, 2008 – KD 2,585,164, June 30, 2008 – KD 622,359). The managing company has fully provided for this interest.

(c) Also, the balance due from Kuwait Ports Authority as of June 30, 2009 includes an amount of KD 15,633,440 (December 31, 2008 - KD 15,633,440, June 30, 2008 – KD 15,633,440) being the balance due for the rents of utilized properties by Kuwait Ports Authority in the Kuwait Free Trade Zone. The managing company has recorded a provision for those rents in the balance due from Kuwait Ports Authority.

(d) According to the management contract, 80% of the rent collected in the Kuwait Free Trade Zone from the existing properties that were handed over from Kuwait Ports Authority is assigned to it. As a result of the resolution issued by the Ministry of Commerce and Industry mentioned in (f) below, the Parent Company lost its control over the assets of Kuwait Free Trade Zone and on its management. Accordingly, Kuwait Ports Authority's share of rent was not calculated for the years 2007 and 2008 and also for the six months ended June 30, 2009.

(e) The 80% share relating to the outstanding and unpaid rent of Kuwait Ports Authority is deducted from the gross share of Kuwait Ports Authority in rental income of the Kuwait Free Trade Zone. In case of any settlement regarding those outstanding and unpaid rents, its relative share previously deducted will be refunded back to the share of Kuwait Ports Authority in rental income of Kuwait Free Trade Zone.

(f) As a result of the resolution issued by the Ministry of Commerce and Industry No. 507 / 2006 relating to the cancellation of the management contract of Kuwait Free Trade Zone with the managing company (Note 15f), the managing company has fully provided for the amount due from Kuwait Ports Authority on a conservatism approach and not as a surrender to the validity of the cancellation resolution.

15. Contingencies and capital commitments

a) At June 30, 2009, the Group's management authorized capital commitments amounting to KD 3,301,622 (December 31, 2008 – KD 7,517,301, June 30, 2008 – KD 124,957,527).

b) At June 30, 2009, capital expenditure commitments arising from the Parent Company's interest in Mediterranean Investment Holding (joint venture) is as follows:

(i) Capital expenditure contracted for the construction and development of real estate projects but not yet incurred amounted to KD 4,098,335 (December 31, 2008 – KD 6,476,250, June 30, 2008 – KD 8,256,551).

(ii) Capital expenditure authorized by the board of directors of the joint venture but has not yet been contracted for amounted to KD 1,985,033 (December 31, 2008 – KD 1,373,750, June 30, 2008 - KD 3,847,128).

c) At June 30, 2009, the Parent Company had commitments under a non-cancelable operating lease, primarily for land leased from the Government of Kuwait for the Water Front Project as follows:

Year	KD
2010 – 2014	141,000
2015 – 2019	141,000
	282,000

For the operating lease commitments, the Parent Company is required to give a bank guarantee of 0.5% of the total value of the capital project concerned for the purpose of maintenance services to be provided by the final lessor.

d) The Group was contingently liable in respect of the following:

	June 30, 2009	December 31, 2008 (Audited)	June 30, 2008
Letters of guarantee	**453,745**	418,560	365,500
Letters of credit	**329,290**	412,368	16,120
	783,035	830,928	381,620

e) One of the tenants of the Kuwait Free Trade Zone had filed a complaint against the Parent Company claiming for a compensation amounting to KD 11,632,382. An Arbitration Committee was formed under the supervision of Ministry of Commerce and Industry. The Parent Company's management submitted many memoranda objecting about the non-competency of the Arbitration Committee, disapproving the arbitration procedures and agreement, and request for denying the case. However, the Arbitration Committee continued to perform its function and declared a verdict on November 15, 2003 obliging the Parent Company to pay compensation for losses suffered amounting to KD 3,600,000.

The Parent Company's management appealed against the verdict of the Arbitration Committee dated November 15, 2003. On January 19, 2004, the General Court declared that the verdict by Arbitration Committee dated November 15, 2003 is void, and forwarded the case to the Experts Department in Ministry of Justice which had concluded in its report that no compensation is to be done to the tenant and the Court of First Instance issued its ruling in which the Arbitration decision was nullified and the managing company was not entitled to any compensation. The Court of Appeal sustained the decision of the Court of First Instance. The tenant has appealed against the decision of the Court of Appeal in the Court of Cassation which has issued the verdict in favor of the Parent Company on June 17, 2008.

f) As per the decision No. 507 in 2006, the Ministry of Commerce and Industry cancelled the management contract of Kuwait Free Trade Zone in Shuwaikh port dated May 30, 1998 between the Ministry of Commerce and Industry and National Real Estate Company K.S.C (the managing company). Due to this, the managing company had lost its control over the assets located in KFTZ. Accordingly, the managing company had recognized the following provisions:

	2006
Assets located in KFTZ	11,172,070
Provision for contractual obligations relating to the cancellation of management's contract of Kuwait Free Trade Zone	1,653,236
Provision for doubtful debts	535,118
	13,360,424

All these provisions were made on a conservatism approach and not as surrender to the validity of the resolution.

The managing company had filed case 939/2006 for an appeal against the decision of Ministry of Commerce and Industry for the cancellation of management contract for KFTZ. On April 15, 2007, the Court forwarded the case to the Experts Department in the Ministry of Justice. The Experts Department had issued its report and the date of hearing of the report at the Court of First Instance is set for September 30, 2009.

As per the opinion of the managing company's external legal counsel, the decision of the Ministry of Commerce and Industry would be cancelled and in case the decision is not cancelled, then the managing company has the right to recover all expenses incurred due to cancellation of the contract before its maturity and has also the right to be compensated for future benefits for the rest of the managing contract term.

The managing company is in process of performing an assessment of the compensation in case the Court sustains the cancellation resolution. In such event, the managing company proposes to offer an initiative for a considerate settlement of its rights with the government. In the event of failure of the initiative, a claim is proposed to be filed by the managing company for the recovery of those compensation claims as per the law.

g) The Parent Company has certain properties erected on land leased from the Government for 25 years. The Ministry of Finance had issued a resolution to terminate those contracts after the expiry of this 25 years period. However, the Parent Company appealed against this resolution claiming for the renewal of those contracts for another 25 years with the same terms. The Court of First Instance sustains the resolution of the Ministry of Finance, after which the Parent Company appealed against the resolution of the Court of First Instance. The Court of Appeal in its sitting dated June 24, 2007 had decided in its verdict to cancel the resolution of the Court of First Instance and to cancel the resolution of the Minister of Finance to withdraw those properties and consider it as void along with all its consequent effects. The Ministry of Finance appealed against this verdict at the Court of Cassation which had decided in its session dated June 30, 2009 to revoke the Court of Appeal's verdict and corroborate the Court of First Instance's verdict, which ruled that the contracts of those properties are expired and the properties are to be handed over to the Ministry of Finance.

During the last periods, the Group had recorded full provisions for those properties for conservatism purposes. In the Group's opinion, the Court of Cassation's verdict won't have negative financial impact on its financial results as all necessary provisions in that regard are included in its records.

In the opinion of the External Legal Counselor of the Group, there is no ability to comment on the possible financial impact of neither the Court of Cessation's verdict nor the possible compensations which might result for either party of the dispute, as there's no basis that would enable the Group of calculating these financial results, possible compensations or evaluating the possibility of concluding new agreements for those properties in an accurate manner. Taking that into consideration as well as the full provision recorded for those properties in the Group's records, the Group's management had decided that no additional provisions would be necessary as of the date of interim consolidated financial information.

16. Shareholders' Annual General Assembly

The annual shareholders' general assembly meeting was held on May 27, 2009 and had approved no distribution of either cash dividends or bonus shares for the year ended December 31, 2008 (December 31, 2007: Cash dividends of 20 fils per share and bonus shares of 10 shares for every 100 shares).

On the same meeting as well, the shareholders' general assembly had decided to decline the proposal of cancelling the parent company's share capital increase to KD 103,624,826 through issuing 222,053,200 new shares of 100 fils per share and a premium of 150 fils per share totaling to a subscription price of 250 fils per share.

As of the date of interim consolidated financial information, the subscription of new shares has not commenced as the parent company is awaiting the approvals from the official authorities.

Working capital	**(56,683,619)**	(87,721,065)	(113,502,171)

The Group's current liabilities exceeded its current assets by an amount of KD 56,683,619 (December 31, 2008 - KD 87,721,065, June 30, 2008 – KD 113,502,171). The decrease in that excess had resulted from the Group's successful negotiations with its lending financial institutions on the renewal and restructuring of the granted borrowings which has affected the Group's working capital positively.

The interim consolidated financial information have been prepared assuming the Group will continue as a going concern. The interim consolidated financial information do not include any adjustment that might result from the outcome of the uncertainty. The Group's going concern assumption relies on necessary support from financial institutions, shareholders as well as the Group's ability to promote its cash inflows. The Group's management is currently negotiating the renewal and restructuring of other borrowings from the respective financial institutions as well as availing new facilities.

As of the interim condensed consolidated statement of financial position date, the Group had undrawn outstanding credit facilities of KD 43,437,522 (December 31, 2008 – KD 62,324,440, June 30, 2008 – KD 9,325,930). In the Group's management opinion, its lending financial institutions will renew and restructure the Group's outstanding borrowings on their respective due dates considering the quality of the Group's assets and the stability of its cash flows, and that the major shareholders of the Parent Company as well as the associates will provide necessary support, if needed, to enhance the Group's cash flows.
