Independent auditors' report on review of condensed consolidated interim financial information

To the Shareholders
Emirates Islamic Bank PJSC

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Emirates Islamic Bank PJSC ("the Bank") and its subsidiaries (collectively referred as "the Group") as at 30 June 2012, the condensed consolidated interim statements of comprehensive income (comprising of a condensed consolidated interim statement of comprehensive income and a separate condensed consolidated interim income statement), condensed consolidated interim statement of cash flows and condensed consolidated interim statement of changes in shareholders' equity for the six-month period then ended, and notes to the condensed consolidated interim financial information ("the condensed consolidated interim financial information"). Management is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with International Financial Reporting Standards IAS 34, *'Interim Financial Reporting'*. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, *'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'*. A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information as at 30 June 2012 is not prepared, in all material respects, in accordance with IAS 34, *'Interim Financial Reporting'*.

9 SUKUK PAYABLE

The Bank, through a Sharia'a compliant sukuk financing arrangement, raised a US Dollar denominated medium term finance amounting to AED 1,836,500,000 (USD 500,000,000).

The sukuk is listed on the London Stock Exchange. The terms of the arrangement include transfer of certain identified assets (the "Co Owned Assets") of the Bank to a sukuk company, EIB Sukuk Company Limited – (the "Issuer"), a special purpose vehicle formed for the issuance of sukuk. In substance, the co-owned assets remain in control of the Bank, accordingly these assets continue to be recognized by the Bank. The assets are in the control of the Bank and shall continue to be serviced by the Bank. The sukuk certificates mature during January 2017.

The Issuer will pay the semi-annually distribution amount from returns received in respect of the Co Owned Assets.
