Ajman Bank PJSC

Notes to the interim condensed financial statements for the nine month period ended 30 September 2010

1 Incorporation and principal activities

Ajman Bank (P.J.S.C) ("the Bank") is incorporated as a Public Joint Stock Company. The Bank has its registered office at Ajman Free Zone, Block C, Level 13, Al Mina Road, P.O. Box 7770, Ajman, United Arab Emirates ("UAE") and was legally incorporated on 17 April 2008. The Bank was registered with the Securities and Commodities Authority ("SCA") on 12 June 2008 and obtained a license from the Central Bank of UAE to operate as a Head Office on 14 June 2008. On 1 December 2008, the Bank obtained a branch banking license from the Central Bank of UAE and commenced operations on 22 December 2008.

The principal activities of the Bank are undertaking banking, financing and investing activities through various Islamic instruments such as Murabaha, Wakala, Sukuk and Ijarah. The activities of the Bank are conducted in accordance with the Islamic Sharia'a principles and within the provisions of its Memorandum and Articles of Association.

2 Summary of significant accounting policies

Basis of preparation

The interim condensed financial statements are prepared in accordance with International Accounting Standard ("IAS") 34 "Interim Financial Reporting". The interim condensed financial statements are prepared under the historical cost convention.

The accounting policies applied in the preparation of the interim condensed financial statements are consistent with those applied in the annual financial statements for the period ended 31 December 2009. The interim condensed financial statements should therefore be read in conjunction with the financial statements of the Bank for the period ended 31 December 2009.

Costs that occur unevenly during the financial year are anticipated or deferred in the condensed interim financial information only if it would also be appropriate to anticipate or defer such costs at the end of the financial year.

2 Summary of significant accounting policies (continued)

Amendments and interpretations to published standards that are effective for the Bank's accounting periods beginning on or after 1 January 2010

The following new amendments and interpretations to existing standards have been published and are mandatory for the Bank's accounting periods beginning on or after 1 January 2010.

- IFRS 3 (amendment), 'Business combinations' and consequential amendments to IAS 27, 'Consolidated and separate financial statements', IAS 28, 'Investments in associates' and IAS 31, 'Interests in joint ventures', effective prospectively to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after 1 July 2009.
- IFRS 1 and IAS 27, 'Cost of investment in a subsidiary, jointly controlled entity or associate', effective for annual periods beginning on or after 1 July 2009.
- IFRS 9, 'Financial Instruments part 1: Classification and Measurement', effective for annual periods commencing on or after 1 January 2013, earlier adoption is permitted.
- IAS 27 (Revised), 'Consolidated and separate financial statements', (effective for annual periods commencing 1 July 2009).
- IFRS 5 (amendment), 'Non-current assets held-for-sale and discontinued operations' (and consequential amendment to IFRS 1, 'First-time adoption') (effective for annual periods commencing 1 July 2009).
- Amendments to IAS 7, 'Statement of Cash Flows' (effective for annual periods commencing 1 January 2010)
- Amendments to IAS 39, 'Financial Instruments: Recognition and Measurement – Eligible Hedged Items' (effective for annual periods beginning on or after 1 July 2009)
- IFRIC 17, 'Distribution of non-cash assets to owners' (effective for annual periods beginning on or after 1 July 2009)
- IFRIC 18, 'Transfers of assets from customers' (effective for annual periods beginning on or after 1 July 2009)

Management has assessed the impact of the above amendments and interpretations to published standards on the Bank's financial statements and has concluded that they are either not relevant to the Bank or the effect on the Bank's financial statements is not material.

Standards, amendments and interpretations to published standards issued but not effective for financial year beginning 1 January 2010

The following new standards, interpretations and amendments to published standards and interpretations have been issued but are not effective for the financial year beginning 1 January 2010 and have not been early adopted by the Bank:

- IFRS 9, 'Financial instruments', issued in December 2009. This addresses the classification and measurement of financial assets and is likely to affect the Bank's accounting for its financial assets. The standard is not materially applicable until 1 January 2013 but is available for early adoption.

Ajman Bank PJSC

Notes to the interim condensed financial statements for the nine month period ended 30 September 2010 (continued)

2 Summary of significant accounting policies (continued)

Standards, amendments and interpretations to published standards issued but not effective for financial year beginning 1 January 2010 (continued)

- Revised IAS 24, 'Related party disclosures', issued in November 2009. It supersedes IAS 24, 'Related party disclosures', issued in 2003. The revised IAS 24 is required to be applied from 1 January 2011. Earlier application, in whole or in part, is permitted.
- 'Classification of rights issues' (Amendment to IAS 32), issued in October 2009. For rights issues offered for a fixed amount of foreign currency, current practice appears to require such issues to be accounted for as derivative liabilities. The amendment states that if such rights are issued pro rata to all the entity's existing shareholders in the same class for a fixed amount of currency, they should be classified as equity regardless of the currency in which the exercise price is denominated. The amendment should be applied for annual periods beginning on or after 1 February 2010. Earlier application is permitted.
- 'Prepayments of a minimum funding requirement' (Amendments to IFRIC 14), issued in November 2009. The amendments correct an unintended consequence of IFRIC 14, 'IAS 19 – The limit on a defined benefit asset, minimum funding requirements and their interaction'. Without the amendments, entities are not permitted to recognise as an asset some voluntary prepayments for minimum funding contributions. This was not intended when IFRIC 14 was issued, and the amendments correct the problem. The amendments are effective for annual periods beginning 1 January 2011. Earlier application is permitted. The amendments should be applied retrospectively to the earliest comparative period presented.
- IFRIC 19, 'Extinguishing financial liabilities with equity instruments'. This clarifies the requirements of IFRSs when an entity renegotiates the terms of a financial liability with its creditor and the creditor agrees to accept the entity's shares or other equity instruments to settle the financial liability fully or partially. The interpretation is effective for annual periods beginning on or after 1 July 2010. Earlier application is permitted.
- Improvements to International Financial Reporting Standards 2010 were issued in May 2010. The effective dates vary standard by standard but most are effective 1 January 2010.

Management has assessed the impact of the above new standards, amendments and interpretations to published standards on the Bank's financial statements and has concluded that they are either not relevant to the Bank or the effect on the Bank's financial statements is not likely to be material.

15 Contingencies and commitments

Legal proceedings

At 30 September 2010, there were two legal proceedings pending against the Bank, one from a former employee and the other arising from a lease agreement.

Litigation is subject to many uncertainties and the Bank cannot predict the outcome of individual matters with assurance. The Bank establishes provisions in connection with pending or threatened litigation if a loss is probable and can be reasonably estimated. However, it not possible at this time to quantify the financial effect of the legal proceedings, if any. The Bank does not believe that the two legal claims have merit and is defending the claims. In the event that the proceedings go against the Bank, management believes that based on information available at the present time the damages should not materially affect the Bank's financial position.

Capital commitments

At 30 September 2010, the Bank had outstanding capital commitments of AED 9.6 million, which will be funded within the next one year (31 December 2009: AED 12 million).
