**INTERIM CONDENSED CONSOLIDATED
FINANCIAL INFORMATION**

PERIOD ENDED 30 JUNE 2011 (UNAUDITED)

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C.

Report on the Interim Condensed Consolidated Financial Information

We have reviewed the accompanying interim condensed consolidated statement of financial position of Agility Public Warehousing Company K.S.C. (the "Parent Company") and Subsidiaries (together the "Group") as at 30 June 2011 and the related interim condensed consolidated statements of income and comprehensive income for the three month and six month periods then ended, and interim condensed consolidated statements of cash flows and changes in equity for the six month period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard IAS 34: Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

As further discussed in note 12(c) to the interim condensed consolidated financial information, during the year ended 31 December 2006, a performance guarantee amounting to KD 10.1 million was called by a counterparty in relation to non performance of obligations under a contract operated by a subsidiary of the Parent Company and encashed during the year ended 31 December 2007. The amount was not expensed in the audited consolidated financial statements in respect of the year ended 31 December 2006, which in our opinion, is not in accordance with International Financial Reporting Standards. We have qualified our audit opinions and review conclusions in this regard on the consolidated financial statements since 31 December 2006. In 2009, the expert department of the Ministry of Justice issued a report on this matter which stated that the verdict should be issued in favour of the subsidiary in respect of most of the issues arising from the case. Pending final court ruling on this matter, in our opinion, other current assets should be decreased by KD 10.1 million and retained earnings attributable to the equity holders of the Parent Company should be decreased by KD 6.1 million and non-controlling interests should be decreased by KD 4.0 million.

Qualified Conclusion

Except for the effect of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C. (continued)

Report on the Interim Condensed Consolidated Financial Information (continued)

Emphasis of Matter

We draw attention to:

- (i) Note 2 to the interim condensed consolidated financial information which describes that the Parent Company was indicted by a federal grand jury in the United States of America ("US") on multiple counts of False Claims Act Violations. Furthermore, the United States Department of Justice also joined a civil qui tam lawsuit against the Parent Company under the False Claims Act. The indictment also includes certain subsidiaries of the Parent Company which were included in the indictment by the United States Department of Justice. The Department of Justice is claiming substantial damages for alleged violations in both the criminal and civil proceedings. Certain Group Companies (including the Parent Company) are suspended from bidding for new contracts or renewing the existing contracts with the US Government pending the outcome of the lawsuit. The Group generated a substantial portion of its business from the US Government contracts. Prolonged suspension will have a material impact on the Group's government related business. The Group is engaged in settlement discussions with the US Department of Justice. The ultimate outcome of the matters set out above cannot presently be determined, and therefore no provision has been made in the interim condensed consolidated financial information.
- (ii) Notes 12(a) and 12(b) to the interim condensed consolidated financial information which describe the contingencies relating to the investigation into the freight forwarding business and termination of lease agreements.

Our conclusion is not qualified in respect of the matters set out above.

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any material violations of the Commercial Companies Law of 1960, as amended, or of the articles of association of the Parent Company during the period ended 30 June 2011 that might have had a material effect on the business of the Parent Company or on its financial position.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL
INFORMATION

As at 30 June 2011 (Unaudited)

1 CORPORATE INFORMATION

Agility Public Warehousing Company K.S.C. (the "Parent Company") is a Kuwaiti shareholding company incorporated in 1979, and listed on Kuwait Stock Exchange and Dubai Stock Exchange. The address of the Parent Company's Head office is Sulaibia, beside Land Customs Clearing Area, P.O. Box 25418, Safat 13115, Kuwait. The Group operates under the brand name of "Agility".

The main objectives of the Parent Company are as follows:

- Construction, management and renting of all types of warehouses.
- Warehousing goods under customs' supervision inside and outside customs areas.
- Investing the surplus funds in investment portfolios.
- Participating in, acquiring or taking over companies of similar activities or those that would facilitate in achieving the Parent Company's objectives inside or outside Kuwait.
- All types of transportation, distribution, handling and customs clearance for goods.
- Customs consulting, customs automation, modernisation and decision support.

The interim condensed consolidated financial information was authorised for issue by the Parent Company's Board of Directors on 14 August 2011.

2 SUBSISTENCE PRIME VENDOR AND OTHER CONTRACTS - US INVESTIGATION

During the year ended 31 December 2007, the Parent Company was served with an administrative subpoena and, subsequently in March 2008 with a grand jury subpoena, by the US Government in connection with an investigation into certain aspects of the Subsistence Prime Vendor ("SPV") Contract. In addition, some employees of the Group were served with civil investigative demands. The Parent Company cooperated with this investigation and produced numerous records in response to this request.

On 16 November 2009, the Parent Company was indicted by a federal grand jury in United States on multiple counts of False Claims Act violations. Furthermore, The United States Department of Justice also joined the civil qui tam lawsuit against the Parent Company under the US False Claims Act. The Department of Justice is claiming substantial damages for alleged violations in both the criminal and civil proceedings.

As a result of this indictment, certain Group companies (including the Parent Company) are suspended from bidding for new contracts or renewing the existing contracts with the US Government pending the outcome of the cases. However, the suspension did not affect continued performance of the existing contracts. The SPV Contract expired in December 2010.

The Parent Company is pursuing discussions with the US Government with a view to reaching a fair and reasonable settlement of the current legal cases with the US Department of Justice. However, there is no guarantee that the parties can reach a mutually agreeable settlement. The Parent Company is prepared to litigate its legal case vigorously if no reasonable settlement is possible.

In addition, the US Department of Justice is currently conducting an informal investigation regarding two cost reimbursable US Government contracts in order to ascertain whether reimbursement requests for certain costs incurred by the Parent Company were proper. Furthermore, in relation to one of such contracts, the Parent Company is appealing before the "Armed Services Board of Contract, Appeals" a decision made by the contracting officer demanding repayment of approximately KD 23 million from the Parent Company. The Parent Company, on 19 April 2011, also filed an affirmative claim for approximately KD 13 million owed by the US Government under the contract.

Due to inherent uncertainty surrounding these cases, no provision is recorded by the management in the interim condensed consolidated financial information. The Parent Company (after consulting the external legal counsel) is not able to comment on the likely outcome of the cases.

3 BASIS OF PREPARATION

The interim condensed consolidated financial information has been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting".

The interim condensed consolidated financial information does not contain all information and disclosures as required for full consolidated financial statements that are prepared in accordance with International Financial Reporting Standards ("IFRS"). In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included. Operating results for the six month period ended 30 June 2011 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2011. For more details please refer to the consolidated financial statements for the year ended 31 December 2010.

The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2010, except for the adoption of the following revised IFRSs effective for annual periods beginning on or after 1 January 2011:

IAS 24 Related party disclosures (Revised)

The amended Standard clarified the definition of a related party to simplify the identification of such relationships and to eliminate inconsistencies in its application. The revised standard introduces a partial exemption of disclosure requirements for government related entities.

IAS 34 Interim Financial Reporting (Revised)

Improvement to IAS 34 introduces the concept of "Significant events and transactions" and has brought in additional disclosures for changes in business and economic circumstances, transfers between levels of the fair value hierarchy used and changes in the classification of financial assets resulting from change in the purpose or use of those assets.

Application of the above standards did not have any impact on the interim condensed consolidated financial information of the Group.

Legal claims

(a) Freight forwarding business - investigation

In October 2007, certain subsidiaries (involved in the freight forwarding business) in the Group along with other major players in the freight forwarding industry received requests for information from the competition authorities of the EU, the United States and other jurisdictions in connection with an industry-wide investigation into the setting of surcharges and fees. These subsidiaries are fully cooperating with the respective authorities.

In July 2009, a subsidiary was named as a defendant in a class action lawsuit filed in the Eastern District of New York, along with a number of other freight forwarding companies, regarding surcharges and fees for services. In November 2009, the defendants filed motions to dismiss the claims that are currently pending before the court. The ultimate outcome of this litigation is uncertain at this time.

On 26 November 2009 the Italian competition authority (ICA) opened an investigation into the activities of some 20 freight forwarding companies, including Agility's subsidiary in Italy. The ICA issued its final decision on 15 June 2011, imposing a total fine of KD 55 thousand (Euro 139 thousand) on Agility.

In February 2010, the European Commission issued a Statement of Objections ("SO") to the Parent Company and two of its subsidiaries. The SO alleges that certain infringements of EU competition law were committed by the subsidiaries. The Commission's final decision is expected in the second half of 2011.

As at 30 June 2011, due to inherent uncertainty surrounding these investigations, the Group's management (after consulting the external legal counsel) is not able to comment on the likely outcome of the investigations and in view of the difficulty in quantifying any additional potential liabilities in this regard, no provision is recorded in the accompanying interim condensed consolidated financial information.

During the year ended 31 December 2010, a subsidiary of the Parent Company reached a settlement agreement with the New Zealand Commerce Commission (which was approved by the New Zealand High Court), in connection with the Surcharge Investigation, to pay a civil fine of KD 525 thousand (NZ Dollars 2,500 thousand). This amount was paid during the period ended 30 June 2011.

Furthermore, a subsidiary of the Parent Company executed a plea agreement with the US Government in connection with the Surcharge Investigation whereby the subsidiary agreed to pay a civil fine of KD 193 thousand (US Dollars 688 thousand) to close the investigation. The settlement agreement is subject to approval of the Court.

Legal claims (continued)

(b) Lease agreements

On 27 November 2006, based on the recommendation by the Ministers' Council, the Minister of Commerce & Industry issued the Resolution No. 30/2006 to terminate three contracts between the Parent Company and the Public Authority of Industry for leasing of land in Mina Abdulla Zone, Kuwait.

The Parent Company protested against this order through case No. 940/2006 "Administrative". In the Hearing held on 25 December 2006, the Court of first instance pronounced its ruling to repeal the aforesaid Resolution of the Minister of Commerce & Industry and its resultant impacts, which was also subsequently confirmed by the Court of appeal. The Ministry filed an appeal at the Supreme Court on which the Supreme Court issued a ruling on 4 May 2010, rejecting the Ministry's appeal and confirming the previous ruling in favor of the Parent Company.

However, the Government requested the Board of Public Authority of Industry to hold a meeting chaired by the Minister of Commerce & Industry, which issued another resolution No. 1/2007 to terminate the same contracts being the subject of the previous resolution.

The Parent Company again protested against the above resolution through case No. 36/2007 and stated, in its statement of defence, which is in agreement with the provisions of the law as confirmed by the Supreme Court including the Kuwait Court of Cessation rulings, that the resolution is void, because it was made on the same subject of the previous resolution. In the opinion of external legal counsel, the court shall pronounce its judgment to revoke the resolution issued by the Public Authority of Industry, because it was based on wrong objects and that resolutions issued by the governmental authorities are merely of financial concerns that shall be resolved by the courts to establish the Parent Company's rights in such contracts.

The Parent Company is in the process of performing an assessment of the final losses arising from the aforementioned Resolutions, so that a claim can be filed with the Government of Kuwait for recovery of these amounts.

The Parent Company suspended recognising revenue on the aforementioned contracts since the inception of the case.

On 9 January 2007 the Ministry of Finance terminated the Al-Jahra Fish, Meat and Vegetables Market Project Contract with the Parent Company following the Resolution issued by the Council of Ministers No. 2/2007. The Parent Company appealed against this resolution through Case No. 200/2007 Administrative -3. The Court of First Instance cancelled the resolution No. 2/2007 issued by the Ministry of Finance.

In January 2008, the Court of Appeal ruled in favour of the Parent Company whereby Al-Jahra Fish, Meat and Vegetables Market Contract is to be given back to the Parent Company. The Court of Appeal also ruled out that the Parent Company be compensated for losses and expenses that arose as a result of this case. The Ministry of Finance filed an appeal against this ruling which is pending resolution. As a result of the ruling the Parent Company resumed operations in the contract.

(c) Guarantee encashment

A Resolution was issued by the General Administration of Customs for Kuwait ("GAC") to cash a portion, amounting to KD 10,092 thousand of the bank guarantee submitted by Global Clearing House Systems K.S.C. (Closed) (the "Company"), a subsidiary of the Parent Company, in favour of GAC Pursuant to this resolution, GAC called the above guarantee during the year ended 31 December 2007. This Resolution is being appealed through case No. 224/2007 "Administrative - 7".

The Parent company (after consulting the external counsel) is of the opinion that the violations against which a portion of the bank guarantee provided was encashed, are non-contractual violations, and in accordance with the law, a verdict shall be issued in favour of the Company to return the encashed portion of the guarantee plus interest of 7%. In 2009, the Company obtained a report from the expert department of Ministry of Justice on this matter which was in favour of the Company in respect of most of the issues arising from the case. Accordingly, no expense is recorded in the statement of income.
