Introduction
We have reviewed the accompanying condensed interim statement of financial position of **TAKAFUL EMARAT – INSURANCE (PJSC) "the company"** as at 30 June 2012 and the condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for the six month period then ended, and other explanatory notes. Management is responsible for the preparation and fair presentation of these condensed interim financial information in accordance with International Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of review
We conducted our review in accordance with International Standard on Review Engagements 2410, "Review on Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion
Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as at 30 June 2012 is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.
