Review report of the independent auditor
to the shareholders of Dubai National Insurance & Reinsurance (P.S.C)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Dubai National Insurance & Reinsurance (P.S.C) (the "Company") as of June 30, 2011 and the related interim condensed income statement, interim condensed statement of comprehensive income, interim condensed statement of changes in equity and interim condensed statement of cash flows for the six-month period then ended. Management is responsible for the preparation and presentation of this interim condensed financial information in accordance with International Accounting Standard 34 "Interim financial reporting". Our responsibility is to express a conclusion on this interim condensed financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standards on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respect in accordance with International Accounting Standard 34 "Interim financial reporting".

Notes to the interim condensed financial information (Un-audited)

1 Legal status and activities

Dubai National Insurance & Reinsurance (P.S.C) (the "Company") is a public shareholding company incorporated in Dubai on January 06, 1992 with a branch in Beirut, Lebanon.

The Company is engaged in insurance and reinsurance of all classes of business in accordance with the provisions of the UAE Federal Law No. 6 of 2007 relating to insurance companies and insurance agents. The registered address of the Company is Dubai National Insurance Building, Floor 7 & 9, Port Saeed, P.O. Box 1806, Dubai, U.A.E.

The overseas branch in Beirut is in the process of being wound down. Accordingly, the related license as required by local regulations has been terminated. The related guarantee is blocked with the Ministry of Economic & Commerce, Insurance Affairs Department in Lebanon until it meets all its obligations, as published in the official gazette in April 2004.

2 Significant accounting policies

The interim condensed financial information of the Company is prepared in accordance with International Financial Reporting Standard, (IAS 34 on "Interim Financial Reporting"). The accounting policies used in the preparation of the interim condensed financial information are consistent with those used in the preparation of the annual financial statements for the year ended December 31, 2010.

(a) Adoption of new and revised standards

The following new Standards and Interpretations have become mandatory during the period and have been adopted by the Company:

1. IAS 24 – Related party disclosures
2. IAS 1(Amended) – Presentation of financial statements
3. IFRS 7 (Amended) – Financial instruments: disclosures
4. IAS 34 – Interim financial reporting

The adoption of these standards and interpretations has not led to any changes in the Company's accounting policies except certain changes in disclosures and terminologies.

b) Financial assets

Available-for-sale investment

Investments in securities are classified as available-for-sale financial assets. They are initially recognised at fair value, which is equivalent to consideration given and acquisition charges associated with the investment.

After initial recognition, quoted securities are measured at fair value, with unrealised gains or losses reported through the fair value reserve, and shown as part of shareholders' equity until the investment is derecognised. On de-recognition, the cumulative gain or loss previously reported in equity is included in the income statement for that period.

2 Significant accounting policies (continued)

c) Investment property

Investment property is measured at cost and is carried net of accumulated depreciation and impairment. Depreciation is determined on a straight-line basis over the estimated useful life of the property which is considered to be 40 years.

d) Critical accounting estimates and judgments in applying accounting policies

The Company makes estimates and assumption that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimation of the ultimate liability (both technical and outstanding) arising from claims made under insurance contracts is the Company's most critical accounting estimate. These estimates are continually reviewed and updated, and adjustments resulting from this review are reflected in the income statement. The process relies upon the basic assumption that past experience, adjusted for the effect of current developments and likely trends, is an appropriate basis for predicting future events.

The Company follows the guidance of IAS 39 'Financial Instruments: Recognition and Measurement' to determine when an available-for-sale financial asset is impaired. This determination requires significant judgement. In making this judgement, the Company evaluates, among other factors, the duration and extent to which the fair value of an investment is less than its cost; and the financial health of and short-term business outlook for the investee, including factors such as industry and sector performance, changes in technology and operational and financing cash flow. If all of the declines in fair value below cost were considered significant or prolonged, the Company would incur an impairment loss in the interim condensed financial information, being the transfer of the accumulated fair value reserve on available-for-sale financial assets recognised in equity on the impaired available-for-sale financial assets to the income statement.

Management reviews the provision for doubtful debts at each reporting date by assessing the recoverability of insurance receivables.

3 Statutory deposits

10 Commitments

The Company's bankers have issued in the normal course of business guarantee in favour of third parties amounting to AED 0.268 million (December 31, 2010: AED 0.268 million) which is secured by way of deposits held.

11 Claim settlement

Al Habtoor Motors Co. L.L.C ("AHM", a related party) had commenced legal proceedings in the English courts in 2009 against the Company in respect of claim for damage to vehicles as a result of a hailstorm which occurred on 25th and 26th March 2009. The Company in turn initiated proceedings in the English courts against its facultative reinsurers.

In April 2010, all parties involved in the litigation (AHM, the Company and the facultative reinsurers) agreed to refer the dispute to mediation and have successfully resolved the matter out of court. The Company has agreed to settle the AHM claim and the facultative reinsurers have also reached settlement of the Company's claims as per settlement agreements with respective parties. All claims and counter claims relating to the English proceedings have now come to a conclusion and the English court has been notified accordingly. The Company's management confirms that this will not have any adverse financial impact on the Company's income statement as the Company has maintained adequate reserves in this regard.
